modern Nigerian composers who have been
influenced by European classical music.
Relying on over 500 scores, archival
materials and interviews with many Nigerian
composers, the author traces the historical
developments of this new idiom in Nigeria
and provides a critical and detailed analysis
of certain works. Written in a refreshing and
lucid style and amply illustrated with music
examples, the book represents a milestone in
musicological research in Nigeria. Although
written essentially for students and scholars
of African music, this interesting book will
also be enjoyed by the g é n é ral reader.

This book provides an in-depth analysis of
the unique structure of the Nigerian popular
music industry. It explores the dissonance

creative autonomy and the practical ways in which the law allows singer-songwriters ' (performing authors') creative autonomy to be subverted in their contractual relationships with record labels. The book establishes the concept of creative autonomy for performing authors as a key criterion for sustainable economic development, and makes innovative legal and policy recommendations to help stakeholders preserve it.

First published in 1971, this major bibliography devoted to Africa ' s most populous country – Nigeria – is therefore a timely contribution which must be welcomed by all. The Bibliography of Nigeria contains over 5,400 entries in archaeology, all branches of anthropology, linguistic and relevant historical and sociological studies. Many of the entries carry indicative or informative annotations which have greatly enhanced the usefulness of the work. The history and culture of Africa constitutes a rich area of study and research which is attracting an ever-increasing number of scholars the world over. The new impetus which African studies is receiving in the major centre of learning today has added urgency to the long-neglected problem of bibliographical control of the vast literature. The dearth of bibliographies in the field of African studies

has been a main source of frustration to all those working in this area. The book is divided into two parts: part one deals with Nigeria as a whole, and lists general works or those concerned with several regions or several ethnic groups. Part two is devoted to the various ethnic groups. An analytical table of contents, a comprehensive ethnic index, an author index and an index of Islamic studies, together with generous cross-referencing, ensure ready and easy location of individual entries.

As the "Giant of Africa" Nigeria is home to about twenty percent of the population of Sub-Saharan Africa, serves as Africa's largest producer of oil and natural gas, comprises Africa's largest economy, and represents the cultural center of African literature, film, and music. Yet the country is plagued by problems that keep it from realizing its potential as a world power. Boko Haram, a

radical Islamist insurrection centered in the northeast of the country, is an ongoing security challenge, as is the continuous unrest in the Niger Delta, the heartland of Nigeria's petroleum wealth. There is also persistent violence associated with land and water use, ethnicity, and religion. In Nigeria: What Everyone Needs to Know®, John Campbell and Matthew Page provide a rich contemporary overview of this crucial African country. Delving into Nigeria's recent history, politics, and culture, this volume tackles essential questions related to widening inequality, the historic 2015 presidential election, the persistent security threat of Boko Haram, rampant government corruption, human rights concerns, and the continual conflicts that arise in a country that is roughly half Christian and half Muslim. With its continent-wide influence in a host of areas, Nigeria's success as a democracy is in the fundamental interest of

its African neighbors, the United States, and the international community. This book will provide interested readers with an accessible, one-of-a-kind overview of the country.

Half a century of music making in Nigeria has indeed witnessed giant strides, development, transformation, assimilation, and acculturation. This book succinctly presents a holistic discourse of musicality in Nigeria from the 1960s through the technological age of the 21st century transmitted through European and American cultures. It examines cogent topics such as traditional and popular music, art music, church music, choral activities, composers and their works, performance practices, maintenance of musical instruments, the impact of radio and television stations, feminine quantum leaps, music publishing, music technology, archival centers, copyright society,

Mayowa Adewale, an eight-year-old girl from Nigeria, will join Julie ' s third-grade class next week. Julie and her classmates are determined to learn all they can about Nigeria in order to welcome Mayowa to the United States. They discover that Nigeria is a land of many peoples and cultures. The “ giant of Africa ” is a land of rain forests and savannas, villages and modern cities, and home to 135 million people who speak over 250 different languages. The students learn how to prepare Mayowa ' s favorite food, dodo, and make a Nigerian mask. Kaabo, Mayowa!
