I promise you, my little one, I'll do everything I can to see that your life is safe and happy. Even if that means giving you up... Markie McBride has kept a secret locked in her heart—and in her long-lost diary—for eighteen years. And when she finds herself back in Five Points, Texas, face-to-face with Justin Kilgore, she finally tells him what she couldn't all those years ago. They have a son. Brandon is coming to Five Points to work as an intern on a political campaign against Justin's congressman father. When the inquisitive teenager stumbles upon evidence of his grandfather's corruption, the boy unwittingly puts himself in danger. Markie swore to always keep her son safe—but keeping this vow may

mean once again losing the man she loves.

You're a rider...an independent spirit who's reluctant to follow someone else's road map. But there are thousands of miles of road out there, and you could spend months searching for the best ones. Gary McKechnie has spent years exploring the nation by bike, and these are his top rides, from the rocky New England coast to the wide-open West. McKechnie covers popular rides through Hudson River Valley, Amish Country, the Smoky Mountains and Georgia Hills, Washington State, the Pacific Coast, and everything in-between. In this fifth edition of his best-selling guide, McKechnie includes: Exciting new photographs of rides like the Hudson River Ralley Run, the Pacific Coast Run, and the Red Rocks Run New tips on the best food, shopping, and nightlife you'll experience along the way Don't waste your valuable two-wheeled vacation. Instead, let Great American Motorcycle Tours be your guide.

American Motorcyclist magazine, the official journal of the American Motorcyclist Associaton, tells the stories of the people who make motorcycling the sport that it is. It's available monthly to AMA members. Become a part of the largest, most diverse and most enthusiastic group of riders in the country by visiting our website or calling 800-AMA-JOIN.

Records the 90-year history of Harley-Davidson motorcycles with photographs marking every development stage.

Hailed as "a rip-snortin', six-guns-blazin' saga of good guys and bad guys who were sometimes one and the same," Robert M. Utley's Lone Star Justice captured the colorful first century of Texas Ranger history. Now, in the eagerly anticipated conclusion, Lone Star Lawmen, Utley once again chronicles the daring exploits of the Rangers, this time as they bring justice to the twentieth-century West. Based on unprecedented access to Ranger archives, this fast-paced narrative stretches from the days of the Mexican Revolution (where atrocities against Mexican Americans marked the nadir of Ranger history) to

Download Free Lone Star Harley Davidson Edition

the Branch Davidian saga near Waco and the recent bloody standoff with "Republic of Texas" militia. Readers will find in these pages one hundred years of high adventure. Utley follows the Rangers as they pursue bank robbers, bootleggers, moonshiners, and "horsebackers" (smugglers who used mule trains to bring liquor across the border). We see these fearless lawmen taming oil boomtowns, springing the ambush of Bonnie and Clyde, facing down angry lynch mobs, and tracking the "Phantom Killer" of Texarkana. Utley also highlights the gradual evolution of this celebrated force, revealing that while West Texas Rangers still occasionally ride the range on horseback and crack down on smugglers and rustlers, East Texas Rangers--who work mostly in big cities--now ride in high-powered cars and contend with kidnapers, forgers, and other urban criminals. But East or West, today's Rangers have become sophisticated professionals, backed by crime labs and forensic science. Written by one of the most respected Western historians alive, here is the definitive account of the Texas Rangers, a vivid portrait of these legendary peace officers and their role in a changing West.
