Lost Without My Daughter is quite short - one hundred and sixty-odd pages so what I wanted was revelation, and there was so little of that. Interestingly, what Sayyed does reveal is that Betty was caring for two "adopted" teenage girls, Lori and Lynn who never featured in NWMD and by his account, they were under her care mainly for the welfare benefits that they would generate.

In 1987, American housewife Betty Mahmoody published Not Without My Daughter, which became a sensation. In the book, Betty claimed that she and Mahtob, her five-year-old daughter, had been kidnapped from the USA in 1984 and imprisoned in Tehran by her Iranian husband, Dr Sayed Mahmoody - aka 'Moody' - a man she vilified as a violent, sadistic monster. Betty's story culminated with a dramatic escape, as she takes her daughter from Iran over the Zagros Mountains and into Turkey. The book sold 12 million copies and inspired the 1991 Hollywood film of the same name, starring Oscar-winner Sally Field. For twenty years Betty's husband has kept silent. Now, in Lost Without My Daughter, Sayed Mahmoody finally reveals the astonishing truth. As well as being a moving, frank story of a once happy family's collapse, and a father's subsequent search for meaning in his life, Lost Without My Daughter is also a cultural and political history of Iran, from the revolution to the present day. Perhaps more than anything, it is an exercise in truth, the last-ditch attempt of a father desperate to reach his daughter, to let her know that he is not the monster he has been portrayed to be.

'You are here for the rest of your life. Do you understand? You are not leaving Iran. You are here until you die.' Betty Mahmoody and her husband, Dr Sayyed Bozorg Mahmoody (Moody), came to Iran from the USA to meet Moody's family. With them was their four-year-old daughter, Mahtob. Appalled by the squalor of their living conditions, horrified by what she saw of a country where women are merely chattels and Westerners are despised, Betty soon became desperate to return to the States. But Moody, and his often vicious family, had other plans. Mother and daughter became prisoners of an alien culture, hostages of an increasingly tyrannical and violent man. Betty began to try to arrange an escape. Evading Moody's sinister spy network, she secretly met sympathisers opposed to Khomeini's savage regime. But every scheme that was suggested to her meant leaving Mahtob behind for ever... Eventually, Betty was given the name of a man who would plan their perilous route out of Iran, a journey that few women or children had ever made. Their nightmare attempt to return home began in a bewildering snowstorm...

The daughter at the center of the international bestseller Not Without My Daughter completes her story: escaping from Iran, growing up in fear, battling deadly disease, and learning to forgive. Two decades ago, millions of readers worldwide thrilled to the story told in the international bestseller Not Without My Daughter—subsequently made into a film starring Sally Field—that told of an American mother and her six-year-old child’s daring escape from an abusive and tyrannical Iranian husband and father. Now the daughter returns to tell the whole story, not only of that imprisonment and escape but of life after fleeing Tehran: living in fear of re-abduction, enduring recurring nightmares and panic attacks, attending school under a false name, battling life-threatening illness—all under the menacing shadow of her father. This is the story of an extraordinary young woman’s triumph over life-crushing trauma to build a life of peace and forgiveness. Taking readers from Michigan to Iran and from Ankara, Turkey, to Paris, France, My Name Is Mahtob depicts the profound resilience of a wounded soul healed by faith in God’s goodness and in his care and love. And Mahmoody reveals the secret of how she liberated herself from a life of fear, learning to forgive the father who had shattered her life and discovering joy and peace that comes from doing so.

'I always hoped [Mary Williams] would tell her incredible story. She's a writer of uncommon clarity and humor, and the arrival of her memoir is cause for celebration.' —Dave Eggers, author of What is the What As she grew up in 1970s Oakland, California, role models for Mary Williams were few and far between: her father was often in prison, her older sister was a teenage prostitute, and her hot-tempered mother struggled to raise six children alone. For all Mary knew, she was heading down a similar path. But her life changed when she met Jane Fonda at summer camp in 1978. Fonda grew attached to the bright girl and eventually invited her to become part of her family, becoming the mother Mary never had. Mary's life since has been one of adventure and opportunity—from hiking the Appalachian Trail solo, working with the Lost Boys of Sudan, and living in the frozen reaches of Antarctica. Her most courageous trip, though, involved returning to Oakland and reconnecting with her biological mother and family, many of whom she hadn't seen since the day she left home. The Lost Daughter is a chronicle of her journey back in time, an exploration of fractured family bonds, and a moving epic of self-discovery.

In 1984, Catherine Layle, a Frenchwomen living in London, met and married a German medical student, Dieter. The couple had two sons, Alexander and Constantin. When, however, at Dieter's insistence, they moved back to his home town in Germany, the marriage began to fall apart. Dieter refused to get a job, Catherine found living with his family oppressive and eventually, she returned to London with the children. The boys spent term time with their mother, holidays with their father - until the summer of 1994, when Dieter decided that his sons should be raised as Germans and, with the support of the local judge, defied the London court ruling that gave Catherine custody. Catherine went to the courts in London, Germany and the Hague - but it seemed that no court outside the jurisdiction of Lower Saxony would overrule the decision. Today, Alexander is eleven and Constantin is nine. Catherine has barely seen them in the two years since Dieter kidnapped them - and then only under the supervision of one of his friends. This is the harrowing story of a mother's attempts to regain her children, and of her desperate struggle against a tyrannical family and the blind injustice of the courts in Europe.

NEW YORK TIMES BEST SELLER • A Best Book of 2021: Entertainment Weekly, Good Morning America, Wall Street Journal, and more From the indie rockstar of Japanese Breakfast fame, and author of the viral 2018 New Yorker essay that shares the title of this book, an unflinching, powerful memoir about growing up Korean American, losing her mother, and forging her own identity. In this exquisite story of family, food, grief, and endurance, Michelle Zauner proves herself far more than a dazzling singer, songwriter, and guitarist. With humor and heart, she tells of growing up one of the few Asian American kids at her school in Eugene, Oregon; of struggling with her mother's particular, high expectations of her; of treasured months spent in her grandmother's tiny apartment in Seoul, where she and her mother would bond, late at night, over heaping plates of food. As she grew up, moving to the East Coast for college, finding work in the restaurant industry, and performing gigs with her fledgling band—and meeting the man who would become her husband—her Koreanness began to feel ever more distant, even as she found the life she wanted to live. It was her mother's diagnosis of terminal cancer, when Michelle was twenty-five, that forced a reckoning with her identity and brought her to reclaim the gifts of taste, language, and history her mother had given her. Vivacious and plainspoken, lyrical and honest, Zauner's voice is as radiantly alive on the page as it is onstage. Rich with intimate anecdotes that will resonate widely, and complete with family photos, Crying in H Mart is a book to cherish, share, and reread.
