By Any Means Necessary is one of Malcolm X's most well known and remembered speeches. It entered the popular civil rights culture through a speech given by Malcolm X at the Organization of Afro-American Unity founding rally on June 28, 1964 in the last year of his life. It is generally considered to leave open all available tactics for the desired ends, including violence; however, the "necessary" qualifier adds a caveat-if violence is not necessary, then presumably, it should not be used. "We declare our right on this earth to be a man, to be a human being, to be respected as a human being, to be given the rights of a human being in this society, on this earth, in this day, which we intend to bring into existence by any means necessary." Malcolm X, 1965

All but one of the speeches were made in those last eight tumultuous months of his life after his break with the Black Muslims when he was seeking a new path. In their pages one can begin to understand his power as a speaker and to see, more clearly than in the Autobiography [of Malcolm X], the political legacy he left his people in its struggle for full emancipation ... [This book] will have a permanent place in the literature of the Afro-American struggle."-I.F. Stone in New York Review of Books"Formidably articulate, especially in terms of international political analysis.... [W]hat made Malcolm X dangerous-in the eyes and ears of the Federal Bureau of Investigation-was his cogent critique of not just violent white racism, but of U.S. imperialism, and his ability to connect both practices."-Globe and Mail, CanadaForeword, eight-page photo section, index.
