Drury's Management & Cost Accounting is the market-leading European text on management accounting and is a comprehensive authority on all aspects of the subject. This accompanying Student's Manual is a workbook that comprises a set of extra problems and solutions that correspond with the chapters of the main text. Together, the main text and the Student's manual form an ideal learning package. The problems and solutions allow students to pursue topics in more depth and to concentrate on the application of principles in management and cost accounting. The key topics are covered in detail and provide a superb opportunity to practise answering exam questions, many of which are taken from past papers of professional accountancy bodies such as CIMA, ACCA, AAT, ICAEW and ICAI.

Make smart business decisions! Recognizing that most students will become managers, and not accountants, Jiambalvo's Managerial Accounting, Second Edition focuses on the knowledge and skills that managers need to make good business decisions. Students and instructors alike have praised the clear and concise writing style – discussions are to the point, ideas are illustrated, and examples are presented to make the ideas concrete. Before you buy, make sure you are getting the best value and all the learning tools you'll need to succeed in your course.
