With obstacles put in place to question a potential leader ' s ethics, world view and career outlook, how does a future leader rise to the top while overcoming obstacles? M: Business brings clarity to what business is about. Its design provides a cutting edge approach to business, and its technology components offer an active learning environment, allowing students to envision a prosperous career in business.

The business world can be hazy-tough to navigate and understand. With obstacles put in place to question a potential leader's ethics, world view and career outlook, how does a future leader rise to the top while overcoming obstacles? M: Business brings clarity to what business is about. Its design provides a cutting edge approach to business, and its technology components offer an active learning environment, allowing students to envision a prosperous career in business.

Business Foundations: A Changing World carefully blends the right mix of content and applications to give students a firm grounding in business principles. Where other products have you sprinting through the semester to cover everything, Business Foundations: A Changing World allows breathing space to explore topics and incorporate additional activities to complement your teaching. Build from the ground up, Business Foundations: A Changing World is for faculty and students who value a briefer, flexible, and integrated resource that is exciting, happening, focused and applicable! What sets this learning program apart from the competition? An unrivaled, focused mixture of exciting content and resources blended with application examples, activities, and fresh topics that show students what is happening in the world of business today!

A brief alternative to other texts, Business and Society provides an overview of corporate citizenship in 12 chapters, with 10 cases that cover small, large, and non-profit businesses. Students--both undergraduates and MBA majors--will gain the skills and background knowledge necessary to make informed opinions about how organizations implement various strategies to fulfill their social and financial goals. Opening vignettes profile an organization or situation relevant to each chapter' s main focus so that students can preview key concepts. The authors revisit the vignettes throughout to clarify the examples in light of new ideas. Experiential Exercises at the end of each chapter promote higher-level learning and require students to apply, analyze, synthesize, and evaluate the concepts, practices, and benefits associated with corporate citizenship. The Instructor' s Resource Manual features several Behavioral Simulation Role-Playing Cases designed to develop teamwork and group decision-making skills.

M: Business is designed to be brief, highly visual, and flexible for today ' s digital and entrepreneurial students. Its unique design and approach enable instructors to cover topics at the depth they desire with an unrivaled mixture of exciting, fresh content and resources to support active learning. M: Business represents the best value available in the brief Introduction to Business market without sacrificing currency, accuracy, or a robust teaching and learning package via McGraw Hill Connect®.

Strategic Management for Hospitality and Tourism is an essential text for both intermediate and advanced learners aspiring to build their knowledge related to the theories and perspectives on the topic.

The book provides critical and analytical insights on contemporary theoretical models and management practices while enhancing the learning process through worked examples and cases applied to the hospitality and tourism setting. This new edition highlights the rapidly changing socio-economic and political global landscape and addresses the cultural and socio-economic complexities of hospitality and tourism organizations in the new era. It has been fully updated to include: A new chapter on finance, business ethics, corporate social responsibility, and leadership as well as new content on globalisation, experience economy, crisis management, consumer power, developing service quality, innovation and implementation of principles. New features to aid understanding of the application of theory, and spur critical thinking and decision making. New international case studies with reflective questions throughout the book from both SME ' s and large-scale businesses. Updated online resources including PowerPoint presentations, additional case studies and exercises, and web links to aid both teaching and learning. Highly illustrated and in full colour design, this book is essential reading for all future hospitality and tourism managers.

Delve into the core of ethics today in your course with the latest practical, applied coverage found in Ferrell/Fraedrich/Ferrell's BUSINESS ETHICS 2009 UPDATE. Whether you use this book as a supplement or primary text in your undergraduate or graduate course, the accessible, up-to-date approach provides unmatched insights into the complex environment in which contemporary managers make ethical decisions. The book's solid managerial framework and new updates highlight the latest developments in ethics and how they relate to overall ethics concepts, processes, and best practices used throughout successful business ethics programs. Your students see how ethics can play a critical role in key strategic business decisions. Captivating new cases and engaging examples reflect today's most recent business developments and crises. Rather than focusing on intellectual reasoning alone or a philosophical discussion of ideas, the book's proven learning features help students prepare and practice confronting the types of actual ethical dilemmas they will face in today's business world. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

MARKETING STRATEGY, 6e, International Edition edition emphasizes teaching students to think and act like marketers. It presents strategy from a perspective that guides strategic marketing management in the social, economic, and technological arenas in which businesses function today--helping students develop a customer-oriented market strategy and market plan. Its practical approach to analyzing, planning, and implementing marketing strategies is based on the creative process involved in applying marketing concepts to the development and implementation of marketing strategy. An emphasis on critical thinking enables students to understand the essence of how marketing decisions fit together to create a coherent strategy. Well-grounded in developing and executing a marketing plan, the text offers a complete planning framework, thorough marketing plan worksheets, and a comprehensive marketing plan example for students to follow.
