Midnight Express tells the gut-wrenching true story of a young man's incarceration and escape from a Turkish prison. A classic story of survival and human endurance, told with humor, honesty, and heart, it became a worldwide best-seller and the Academy Award-winning blockbuster film of the same name. In 1970 Billy Hayes was an English major who left college in search of adventures to write about, like his hero Jack London. He had a rude awakening when he was arrested at the airport in Istanbul trying to board a plane while carrying four pounds of hashish, and given a life sentence. After five brutal

years, relentless efforts by his family to gain his release, and endless escape plotting, Hayes finally took matters into his own hands. On a dark night, in a wailing storm he began a desperate and daring escape to freedom... This is the astounding journey, told in Billy Hayes's own words, of those five years of living hell and of the harrowing ordeal of his time on the run.

daylight. But she had to cross it now. She had to get to the train station in time to stop the midnight express. When a heavy storm destroyed the bridge over Honey Creek, near Kate Shelley's home in Moingona, Iowa, fifteen-year-old Kate bravely rushed out into the storm, saving the lives of two men and preventing hundreds of other lives from being lost. This is the true story of a young girl's resourcefulness and courage in the face of great danger.
