version of the Colt Plus Turbo. The 4G15 engine power has been updated to 154 bhp (115 kW) to match the Colt Version R. The styling of the Colt Plus Ralliart also matches the Colt Version R with the same EVO-inspired bonnet vents and bumpers. It is also accompanied with leather seats.

---

## Mitsubishi Colt - Wikipedia

The Colt Ralliart is effectively the replacement for the Colt CZT and was introduced when the standard Colt range was facelifted. Like the CZT, power comes from a 1.5-litre turbocharged petrol engine with roughly 150bhp, giving it a 0-62mph time of 7.4 seconds.

Singapore's best homegrown car magazine, with an editorial dream team driving it. We fuel the need for speed!

Singapore's best homegrown car magazine, with an editorial dream team driving it. We fuel the need for speed!

The definitive international history of one of the world's most successful rally cars. Covers every Lancer model - including all special editions, and Dodge, Colt, Plymouth, Valiant, Eagle, Proton and Hyundai variants - from 1973 to date. Includes a Foreword by Shinichi Kurihara, Mitsubishi's Evo team leader.

Russian Society and the Orthodox Church examines the Russian Orthodox Church's social and political role and its relationship to civil society in post-Communist Russia. It shows how Orthodox prelates, clergy and laity have shaped Russians' attitudes towards religious and ideological pluralism, which in turn have influenced the ways in which Russians understand civil society, including those of its features - pluralism and freedom of conscience - that are essential for a functioning democracy. It shows how the official

church, including the Moscow Patriarchate, has impeded the development of civil society, while on the other hand the non-official church, including nonconformist clergy and lay activists, has promoted concepts central to civil society.

"You can be lonely anywhere, but there is a particular flavor to the loneliness that comes from living in a city, surrounded by thousands of strangers. The Lonely City is a roving cultural history of urban loneliness, centered on the ultimate city: Manhattan, that teeming island of gneiss, concrete, and glass. What does it mean to be lonely? How do we live, if we're not intimately involved with another human being? How do we connect with other people, particularly if our sexuality or physical body is considered deviant or damaged? Does technology draw us closer together or trap us behind screens? Olivia Laing explores these questions by travelling deep into the work and lives of some of the century's most original artists, among them Andy Warhol, David Wojnarowicz, Edward Hopper, Henry Darger and Klaus Nomi. Part memoir, part biography, part dazzling work of cultural criticism, The Lonely City is not just a map, but a celebration of the state of loneliness. It's a voyage out to a strange and sometimes lovely island, adrift from the larger continent of human experience, but visited by many - millions, say - of souls"--
