Rhyming text and illustrations depict the Cat in the Hat and his friends exploring the many different kinds of insects, their characteristics, and behavior.

Rhino-B is a brash, but sweet guy. Stag-B is a calm and scholarly adventurer. Together these two young beetles make up the Bug Boys, best friends who spend their time exploring the world of Bug Village and beyond, as well as their own - sometimes confusing and complicated - thoughts and feelings. In their first adventure, the Bug Boys travel through spooky caves, work with a spider to found a library, save their town's popular honey supply from extinction, and even make friends with ferocious termites! What challenges will these two earnest beetles face? Whatever it is, you can be sure that Rhino-B and Stag-B will face it together -- with the power of friendship behind them.

"The Cat in the Hat and Thing One and Thing Two look at common backyard insects in this rhyming nonfiction board book. Featuring over ten different kinds of insects (among them ants, bees, butterflies, fireflies, ladybugs, and grasshoppers) and reviewed for scientific accuracy by a noted expert."--Publisher's description.

Enter the kingdom of bugs and their close relatives for a magical journey through the forest floor, down into the deepest caves, and even across the open ocean... Insects, arachnids, worms, and mollusks are crawling across the pages of this colorful bug book, which combines gorgeous illustrations and photos to help young animal enthusiasts spot and learn all the main bug groups. From dancing bees to cartwheeling spiders, from butterfly athletes to the beetles that eat poo, they'll learn all about the incredible secret world of creepy-crawlies. And they'll find out how bugs help to look after our planet too. The Book of Brilliant Bugs, written by insect expert Jess French and illustrated by Claire McElfatrick, takes children on a fascinating journey of exploration, showing them just how amazing creepy-crawlies are, what they do for our planet, and how we can help them. It includes bug relatives such as slimy slugs, web-spinning spiders, and scuttling centipedes, plus amazing facts on how bugs

THE CAT IN the Hat puts to rest any notion that money grows on trees in this super simple look at numismatics, the study of money and its history. Beginning with the ancient practice of bartering, the Cat explains various forms of money used in different cultures, from shells, feathers, leather, and jade to metal ingots to coins (including the smallest—the BB-like Indian fanam—and the largest—the 8-foot-wide, ship-sinking limestone ones from the Islands of Yap!), to the current king of currency, paper. Also included is a look at banking, from the use of temples as the first banks to the concept of gaining or paying interest, and a step-by-step guide to minting coins. A fascinating introduction is bound to change young reader ' s appreciation for change!

Cats normally don't like water, but the Cat in the Hat is no normal puss! He ' s fond of ponds, and in this latest Cat in the Hat ' s Learning Library book, he takes Sally and Dick on a trip to show them how ponds are fascinating places teeming with life. From algae to snails, leeches, insects, fish, frogs, newts, turtles, ducks, swans, and more, the Cat explains how all different kinds of plants and animals make their home in and around ponds, as well as examining the difference between complete and incomplete metamorphosis and the various stages of frog development. Ideal for spring and summer reading, this is a beginning reader that will inspire kids to get outside and explore!

Leaping lizards—the Cat and Co. explore the world of reptiles! The Cat in the Hat travels the globe—in his trusty crocodile car—to explore the world of reptiles: lizards, snakes, turtles, and crocodilians. Along the way, young readers learn the characteristics shared by most reptiles; basic information about each group; quirky, fun facts about individual species; and much, much more. Cool creatures featured include komodo dragons, chameleons, geckos, cobras, leatherback turtles, frilled lizards—a virtual Who ' s Who of the World ' s Most Remarkable Reptiles. Young readers will slither in delight!

The Cat in the Hat, Sally, and Dick take an undersea voyage aboard the S.S. Undersea Glubber! Traveling down from the Sunny Zone to the Dark Zone to the Trench at the bottom, Captain Cat and his crew get up close and personal with the different life forms found at each level of the ocean. Along the way, they meet sharks, jellyfish, dolphins, manatees, whales, and sea cucumbers, to name just a few!
