New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the

magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

This book explores the interaction of the grammar with the external systems, conceptual-intentional and sensori-motor. The papers in the Language section include configurational analyses of the interface properties of depictives, clitic clusters, imperatives, conditionals, clefts, as well as asymmetries in the structure of syllables and feet. The Brain section discusses questions related to human learning and comprehension of language: the acquisition of compounds, the acquisition of the definite article, the subject/object asymmetry in the comprehension of D-Linked vs. non D-linked questions, the evidence for syntactic asymmetries in American Sign Language, the acquisition of syllable types, and the role of stress shift in the determination of phrase ending. The papers in the Computation section present different perspectives on how the properties of UG can be implemented in a parser; implementations of different theories including configurational selection, incorporation, and minimalism; and the role of statistical and quantitative approaches in natural language processing.

Continuing the paperback edition of Charles S. Singleton's translation of *The Divine Comedy*, this work provides the English-speaking reader with everything he needs to read and understand the *Paradiso*. This volume consists of the prose translation of Giorgio Petrocchi's Italian text (which faces the translation on each page); its companion volume of commentary is a masterpiece of erudition, offering a wide range of information on such subjects as Dante's vocabulary, his characters, and the historical sources of incidents in the poem. Professor Singleton provides a clear and profound analysis of the poem's basic allegory, and the illustrations, diagrams, and map clarify points that have previously confused readers of *The Divine Comedy*.

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

NICK ' S HEART (Book 2 of the *In Your Arms* series) is a story of inspiration: Nick Costas, having coped with and overcome his rough upbringing in abusive foster homes and on the streets of L.A., having undergone a spiritual transformation, and having become a loving and passionate father of a family of seven, continues to inspire those around him but with newfound struggles. Nick now struggles to accept and perfect his newfound fame as an author and

a touring speaker while also trying to build a safe haven home for boys. And he struggles to balance these new gigs with his health and with the wants and needs of his ever-changing family. Join Nick on his journey of inspiration as he transitions from a successful music producer and a loving and spiritual father of a family of seven to an inspiration to those around him. Follow him as he inspires others through his speaking engagements and his love and passion for his wife Barb, his five children, and scripture. Follow him as he directly and indirectly guides his friends and his children through their own courtships, love lives, and marriages. And follow him as he works to build a Home for Boys as a place where struggling youths like he was can have the same opportunities for redemption and success that he experienced. If you enjoyed the stories of personal redemption, spiritual transformation, and loving couples, parents, and families contained in Book 1 of the In Your Arms series (Nick ' s Choice), then you will enjoy continuing to follow Nick as he uses those stories to inspire others in Book 2 of the series (Nick ' s Heart). The story of Nick Costas, as told in this book, is here to continue inspiring and guiding you in your own personal, parental, and family life.
