Appraisal is your one-stop, how-to-do-it resource. Unlike many "systems" books, this guide is notable for its personal, forthright writing style. Author Dick Grote has worked with performance appraisal techniques for more than 25 years, and he tells you frankly which methods have been successful and

Download File PDF

which have flopped. This comprehensive book will help you set job objectives and measure the truly important aspects of an individual's performance; prepare managers for the rigors of the appraisal interview, with scripts and proven interviewing techniques; create forms and procedures that

Download File PDF

satisfy your organization's needs - and comply with legal requirements; gain support for your system throughout the organization; set up a training program for both appraisers and appraisees - a critical step for long-term success; increase employee skills and capabilities using Dick
