SUPERB EXECUTION RELIES UPON  
RIGOROUS PROJECT  
DOCUMENTATION A project will only  
be built as well as it is documented.  
This publication focuses on the key  
documentation needs of the  
landscape architectural design and  
construction documentation process.

## Read Online Project Doent Cover Sheet Information

That includes both "design documentation" and "construction documentation" as well as all that which occurs in the transition from one phase to the other.

Documentation requirements include those components necessary to explore and define design intent,

## Read Online Project Doent Cover Sheet Information

logic, physical proposals, and ultimately, the specific components included within construction and bid documents. Discover how proper documentation facilitates every stage of the design process from pre-planning to construction, and leads to a highly resolved built outcome.

## Read Online Project Doent Cover Sheet Information

Understand the principles behind these documentation practices. Implement best practices specific to each documentation phase and drawing, from title block and cover sheet design to soil plans and plant protection. Organize keynoting systems, cross-referencing and

## Read Online Project Doent Cover Sheet Information

interdisciplinary coordination amongst multiple consultants and vendors. Study sample project documents from a leading landscape architecture firm to better understand the elements and benefits of complete and well-coordinated project documentation.

## Read Online Project Doent Cover Sheet Information

These standards have been time-tested by over 150 designers at the industry leading landscape architecture firm Design Workshop, reflecting a range of project types, including parks, streetscapes, urban spaces and over-structure construction. This guide shares the

# Read Online Project Doent Cover Sheet Information

methods behind the success, to  
facilitate exceptional built outcomes  
through principled documentation  
practices.

## Read Online Project Doent Cover Sheet Information

"This book looks at a selection of national and local programs, ranging from commercial to residential, and provides a solid overview of each, as well as comparisons, enabling you to select the most appropriate system for your projects." -- from back cover.
