Pulled Under I found this book to be a fun easy read. I finished this book in two days, but was left unsatisfied with the ending. I don't think there is a sequel to this book so I'm left to finish the story. Other than the ending I loved this book! Definitely a summer beach read!

"A romance blooms between surfer girl Izzy and city boy Ben in a small island town as the two try to figure out if their love affair is more than a summer fling"--
This perfect beach read includes two sizzling summer romances, Pulled Under and Swept Away, in one charming collection! It ' s a summer they ' ll never forget... In Pulled Under, Izzy Lucas only needs her surfboard and the waves of Pearl Beach, Florida, to be happy...until the cute and charming Ben Barker walks into her life. A unstoppable romance blooms quickly between the two, and as the weeks of surfing lessons and moonlight walks fly by, Ben inspires Izzy to risk everything and compete in the biggest surfing event of the year. But Ben is only in town for the summer, and Izzy can ' t help but wonder if this amazing guy is worth stepping out of her comfort zone for what might be the perfect summer romance. In Swept Away, Mandy Sullivan is navigating three months filled with countless lobster boils, endless workdays at the historic Rocky Point lighthouse, and tourists in town for the popular Lupine Festival. But everything changes the moment Mandy spots a new—and incredibly cute—face in the festival ' s crowd, Oliver Framingham. The two fall deeply for each other as they attend the many local parades and romantic hikes along Maine ' s picturesque coast. But Mandy knows it ' s too good to be true, because when summer ends, Oliver just might have to leave the town—and the girl—he ' s fallen in love with. Is being swept away worth the risk? Or will the tide pull them under?

Facing a lonely summer overrun by tourists in her seaside hometown, insecure Mandy takes a volunteer job at the local lighthouse and gives a private tour to a cute newcomer who encourages her to confront her self-esteem issues. Simultaneous and eBook.
A startling and timely debut, Julie Carrick Dalton's Waiting for the Night Song is a moving, brilliant novel about friendships forged in childhood magic and ruptured by the high price of secrets that leave you forever changed. Cadie Kessler has spent decades trying to cover up one truth. One moment. But deep down, didn ' t she always know her secret would surface? An urgent message from her long-estranged best friend Daniela Garcia brings Cadie, now a forestry researcher, back to her childhood home. There, Cadie and Daniela are forced to face a dark secret that ended both their idyllic childhood bond and the magical summer that takes up more space in Cadie ' s memory than all her other years combined. Now grown up, bound by long-held oaths, and faced with truths she does not wish to see, Cadie must decide what she is willing to sacrifice to protect the people and the forest she loves, as drought, foreclosures, and wildfire spark tensions between displaced migrant farm workers and locals. Waiting for the Night Song is a love song to the natural beauty around us, a call to fight for what we believe in, and a reminder that the truth will always rise. A mute Mayan girl held captive in a crate in the Guatemalan jungle, a big-city psychoanalyst with a rescue complex, and a journalist with a broken heart are the characters in Sheila Dalton ' s second literary novel. Caitlin Shaughnessy, a Canadian journalist, discovers that Inez, a traumatized young Mayan woman originally from Guatemala, has killed Caitlin ' s psychoanalyst partner, Dr. Jerry Simpson. Simpson brought the girl, who may be autistic, back to Canada as an act of mercy and to attempt to treat her obvious trauma. Cailin desperately needs to find out why this terrible incident occurred so she can find the strength to forgive and move on with her life. Inez, whose sense of wonder and innocence touches all who meet her, becomes a focal point for many of the Canadians who encounter her. As Caitlin struggles to uncover the truth about Inez ' s relationship with Jerry, Inez struggles to break free of the projections of others. Each must confront her own anger and despair. The doctors in the north have an iciness that matches their surroundings, a kind of clinical armour that Caitlin must penetrate if she is to reach Inez. The Girl in the Box is a psychological drama of the highest order and a gripping tale of intrigue and passion.

A vivid, electric tale set in New York and personally recommended by bestselling author Nick Hornby (Fever Pitch, About a Boy): These Days Are Ours is an irresistible coming-of-age story for the Lena Dunham generation from debut author Michelle Haimoff. New York City, six months after 9/11: everything has changed and nothing has. Hailey graduated college months ago but she's still living in her family's Fifth Avenue penthouse, spending her nights falling in and out of bars across Upper East Side Manhattan - and the thrill is starting to wear off. It isn't easy being young, rich and beautiful. Overnight, it seems like everyone suddenly has their lives completely sorted. Katie has a great job at Morgan Stanley, Michael Brenner is training to be a human rights lawyer and trust-fund kid Randy is just content to carry on having fun. Hailey is lost somewhere in the middle, torn between chasing down the next wild party and admitting that it might be time to grow up. She craves something more meaningful - but what? Perhaps Brenner holds the answer: gorgeous, charismatic and aloof, Hailey is convinced he is the missing piece in her puzzle. But when she meets Adrian, a man so totally different from her usual privileged crowd, she begins to realise she's been looking for happiness in all the wrong places... These Days Are Ours captures the feverish excitement and exhilarating uncertainty of the city, where bright young things are forever brimming with possibiility and buckling under the pressure. Michelle Haimoff is a writer and blogger whose writing has appeared in The New York Times, The Los Angeles Times, PsychologyToday.com and The Huffington Post.
