"Scars of the New Order" materialized during Scott Neuffer's stint as a beat reporter. The short stories explore a historical period shaped by millennial youth and aspirations, terrorism and perpetual warfare, economic and political dysfunction, and pervasive feelings of loss and disillusionment. REVIEWS "Scott Neuffer's finely crafted stories explore all things taboo like the dark allure of a bad accident. With their impossible juxtaposition and haunting realism, these are the kinds of stories that make you want to fall in love (again) with the underappreciated, humble short story. They speak about our responsibility to a lost generation, our collective 'voluptuous stink' that shows itself in many varied scars on many varied characters, and each story highlights the marked difference between what we want to be and what we are. The author has said that he promises his next book will be happier, yet a dark part of me hopes he changes his mind." "--Elizabeth Leiknes, author of *The Sinful Life of Lucy Burns* " "Neuffer deftly plunges us again and again into darkness--a blizzard-bound snow shelter, a Peruvian slum, a senseless act of American violence--but provides us with just enough light to see by, to hold out for." "--Ben Rogers, author of *The Flamer* " ABOUT THE AUTHOR Scott Neuffer is a freelance writer who lives in Nevada with his wife Maria and son Andres. He spent five years as a staff reporter for Sierra Nevada Media Group before venturing out on his own. His nonfiction has appeared in various publications and websites. His short fiction has appeared in *Fiction Fix*, *The Nevada Review*, and *Underground Voices'* print anthology. He is currently working on a novel."

Gordon Korman's acclaimed and timely YA novel explores the dangerous side of high school contact sports. Marcus is new in town and is hoping to make the championship high school football team, but it seems like a closed club, run by current star quarterback Troy. One day, while tossing the ball around in a park one day, Marcus meets Charlie, a man in his fifties who can play football like an old pro, which is exactly what he happens to be — a former NFL player and local celebrity. Charlie has boundless energy and coaches Marcus on his fear of being tackled, but as Marcus becomes more involved in this friendship with Charlie, it becomes painfully obvious to him, through the simplicity of Charlie's thoughts, that the long-term effects of the violent plays he suffered during his football glory days have taken their toll on Charlie. With wit and sensitivity, Gordon Korman tackles truths about high school sports, while delivering a poignant story about an unlikely friendship.
