What could have happened in the Garden of Eden if Adam had not sinned and God ’ s redemptive plan had not become necessary? We know that when God created Adam he received natural life, but how did God plan for Adam to receive Divine (uncreated life)? What is the difference between God ’ s creating and begetting work? It is evident that God has given the Cross a central place in His redemptive working; what is the difference between the work of the Cross and the way of the Cross? Since God, in the fullness of time, will put on display His Divine masterpiece before all the universe, how can we fully cooperate with him if we do not understand His Ultimate Intention?
