Along the way, she tells them of the story of Phoebe Winterbottom, who received mysterious messages, who met a "potential lunatic," and whose mother disappeared. As Sal entertains her grandparents with Phoebe's outrageous story, her own story begins to unfold—the story of a thirteen-year-old girl whose only wish is to be reunited with her missing mother.

We know that literacy is the key to learning in school, yet millions of middle and high school students lack the literacy skills they need to succeed. What can educators do? In *Creating Literacy-Rich Schools for Adolescents*, authors Gay Ivey and Douglas Fisher make a compelling case that all teachers—across the content areas—have a role to play in students' development of literacy, which they define as reading, writing, speaking, listening, and viewing. Rather than focusing solely on reading instruction and the cliché that says "all teachers are teachers of reading," they urge teachers to incorporate rich literacy-based learning experiences into their classrooms, with the goal of helping students to learn and think across the curriculum. With research-based findings, engaging examples, and extensive lists of resources, Ivey and Fisher encourage readers to " Reexamine the materials, experiences, and expectations of the English/language arts classroom; " Use strategies to improve literacy in all the content areas and seek alternatives to the traditional textbook; " Make independent reading an important part of students' ongoing literacy development; " Design and use interventions that really work for struggling students; and " Consider the schoolwide elements—professional development, peer coaching, leadership, and assessment—that should be in place to support teachers and students. Essential questions provide the focus for each chapter, and Quality Indicators for Secondary Literacy help readers gauge where they are on the continuum of providing a meaningful literacy experience for students. *Creating Literacy-Rich Schools for Adolescents* will inspire educators to take up this challenge in their own school with new confidence that the work is worthwhile and achievable. It is up to her generation to make it happen, in as many different ways as there are colors in the world.

Draper tells the epic story of a young girl torn from her African village, sold into slavery, and stripped of everything she has ever known—except hope. Amari's life was once perfect. But that was what happened when her village was invaded by slave traders. Her family was brutally murdered as she was dragged away to a slave ship and sent to be sold in the Carolinas. There she was bought by a plantation owner and given to his son as a "birthday present". Now, survival is all Amari can dream about. As she struggles to hold on to her memories, she also begins to learn English and make friends with a white indentured servant named Molly. When an opportunity to escape presents itself, Amari and Molly seize it, fleeing South to the Spanish colony in Florida at Fort Mose. Along the way, their strength is tested like never before as they struggle against hunger, cold, wild animals, hurricanes, and people eager to turn them in for reward money. The hope of a new life is all that keeps them going, but Florida feels so far away and sometimes Amari wonders how far hopes and dreams can really take her.
