and to complicate the work of those who try to assist them. Actors who claim space under the humanitarian banner are guided by varying principles of humanitarianism or employ different interpretations of a small number of acknowledged humanitarian principles. This book addresses some of the main challenges and dilemmas of contemporary humanitarian work. It presents a selection of papers from a high level forum that the Network on Humanitarian Assistance (NOHA) convened in 2003 as an introductory course to its Joint European Master's in International Humanitarian Action. The event gathered over
