Put theory into practice with with exercises which test your knowledge and challenge your understanding

We may all speak the same language, but getting to grips with grammar is the ultimate challenge. You could be puzzled by prepositions, confused by comparatives, or muddled over modals. Thankfully, this complete visual aid to everything in the English language sets you straight with a clear and concise format for easy understanding. The rules of English grammar are beautifully presented with eye-catching illustrations, step-by-step graphics, and straightforward explanations to help you learn. Suitable for English language learners at all levels, including experienced English speakers looking for a recap of key language points, English for Everyone: English Grammar Guide covers basic, intermediate, and advanced grammar. There is no stone left unturned when it comes to the English language. All kinds of problems are solved, including tenses, verbs, adverbs, clauses, superlatives, and questions. You are encouraged to spot patterns and sequences in language to see the similarities and develop greater understanding. After an intensive review, test yourself with a range of speaking, reading, and writing exercises to see how far you have come. This essential grammar e-guide is part of DK's English for Everyone series, an exciting and educational self-study course to build up confidence and fluency. Whether you want to improve your grammar for school, study, exams (including TOEFL and IELTS), work, or travel, this is the perfect reading companion. Series Overview: English for Everyone series teaches all levels of English, from beginner to advanced, to speakers of English as a second language. Innovative visual learning methods introduce key language skills, grammar, and vocabulary, which are reinforced with a variety of speaking, reading, and writing exercises to make the English language easier to understand and learn. Visit www.dkefe.com to find out more.

Titles in Barron's extensive Painless Series cover a wide range of subjects as they are taught on middle school and high school levels. These books are written for students who find the subjects unusually difficult and confusing--or in many cases, just plain boring. Barron's Painless Series authors' main goal is to clear up students' confusion and perk up their interest by emphasizing the intriguing and often exciting ways in which they can put each subject to practical use. Most of these books take a light-hearted approach to their subjects, often employing humor, and always presenting fun-learning exercises that include puzzles, games, and challenging "Brain Tickler" problems to solve. Both ESL students and teachers of ESL courses have found this book extremely helpful, especially in the way it anticipates and answers students' most frequently asked questions about correct American English usage. This edition is better than ever.

The second edition of Modern Brazilian Portuguese Grammar Workbook is an innovative book of exercises and language tasks for all learners of Brazilian Portuguese. The book is divided into two sections: • Part A provides exercises based on essential grammatical structures • Part B practises everyday functions (e.g. making social contact, asking questions and expressing needs). A comprehensive answer key at the back of the book enables you to check on your progress. The Modern Brazilian Portuguese Grammar Workbook is ideal for all learners who have a basic knowledge of Brazilian Portuguese, including undergraduates taking Brazilian Portuguese as a major or minor part of their studies, as well as intermediate and advanced school, adult education and self-study students. While primarily intended for use in conjunction with Modern Brazilian Portuguese Grammar: A Practical Guide, it can also serve as an independent resource.

Get It Right: Spelling, Punctuation and Grammar Workbook 3 provides accessible spelling, punctuation and grammar practice for 11-14 year old students. This Answer Book provides answers for activities in Get It Right: Spelling, Punctuation and Grammar Workbook 3.

Provides a series of comprehensive lessons for the exam's English, math, reading, essay-writing, and science sections, sharing problem-solving strategies for a range of question types while offering numerous study and time-management tips. Original.

A clear, precise, and comprehensive book that will give children the tools to build confidence in reading, writing, and comprehension through visual explanation. From when to use a preposition or pronoun to how to use a comma or colon, Visual Guide to Grammar and Punctuation covers all the most important grammar topics in DK's signature style. Each example provided is supported by a picture, making it accessible and comprehensible, and clear and simple text and repetition help to solidify knowledge and understanding. Visual Guide to Grammar and Punctuation will improve a child's confidence in using the building blocks of reading and writing, and is a book they will refer to again and again.

Our national language, and the culture from which it has formed, is the rightful inheritance of all English-speaking people. It deserves to be taught with knowledge and respect. English is now spoken, also, by more than 500 million people around the world. They need the opportunity to learn to speak and write it confidently, and correctly. Grammar provides a language to talk about language. As a mechanic needs naming words for the parts of an engine, so a student needs naming words for the components of speech and writing. This practical book provides all who learn or teach Grammar with these skills in a clear step-by-step process. It provides teachers with an armoury of learning strategies to use at all levels. Grammar should be fun to teach and fun to learn.

Put theory into practice with with exercises which test your knowledge and challenge your understanding

Examples, Exceptions, Exercises, and Everything You Need to Master Proper Grammar Complete English Grammar Rules is a comprehensive English grammar guide covering both basic and advanced grammar rules. Learn proper English grammar with simple, in-depth explanations, featuring key exceptions, common grammar mistakes, and thousands of real-world usage examples, plus valuable grammar exercises-every topic includes a grammar quiz. With Complete English Grammar Rules, you'll be able to: Quickly master basic English grammar while learning more advanced topics along the way. Easily identify nouns, pronouns, verbs, adjectives, adverbs, prepositions, and other parts of speech. Master verb tenses and conjugation, including irregular verbs and exceptions. Learn about every type of sentence and avoid common writing mistakes. Test your knowledge with grammar quizzes designed to help you retain the most important information. Finally, you can get answers to all your questions about grammar. Complete English Grammar Rules gives you all the rules of grammar, all in one place, logically organized in a user-friendly format. Preface Grammar is without a doubt one of the most daunting aspects of the English language, an area riddled with complexities, inconsistencies,and contradictions. It has also been in a state of flux for pretty much its entire existence. For native speakers of English, as well as forthose learning it as a new language, grammar presents a very serious challenge to speaking and writing both accurately and effectively.Having a single, reliable, go-to reference guide should therefore be indispensable to those trying to learn, improve, or perfect their speechor writing. This book is that guide: a clear, unambiguous, and comprehensive source of information that covers all the relevant topics ofEnglish grammar, while still being easy to understand and enjoyable to read. Every topic in the book has been broken down into basic units. Each unit can be read and understood in its own right, but throughout thebook you will find cross-references to other sections and chapters to help make it clear how all the pieces fit together. If you're havingtrouble understanding something, try going back (or forward) to other related topics in the book.Finally, it must be mentioned that, because English is such a flexible, inconsistent language, the "rules" that are often banded about areusually not rules at all, but rather guides that reflect how the language is used. Accordingly, the guidelines contained within this book arejust that-guidelines. They are not intended to provide constrictive or proscriptive rules that confine everyone to a particular way ofspeaking or writing. Learning how the English language works will enhance your engagement with speech and writing every day, from the books you read, tothe e-mails you write, to the conversations you have with friends and strangers alike.As such, mastering grammar is not an exercise

that is confined to the classroom. While it is certainly important to learn the structures, styles, and rules that shape the language, the key to truly learning English is to read and listen to the way people write and speak everyday, from the most well-known authors to the people you talk to on the bus. Take the information you find in this book and carry it with you into the world. -P. Herring
