The second installment of The Teralin Sword series follows perfectly behind book 1! D.K. wins again with this book by keeping the story moving with plenty of adventure, battles, and drama. The character building lends itself to increased understanding of not only the main character, but also many of the minor characters in both The Teralin Sword and The Lost Prophecy series.

The Conclave calls to Endric and threatens to pull him from the Denraen again. While the merahl are restored, the price was high. The Conclave asks Endric to bring Tresten to his final resting place, leading him to the island of Salvat and the headquarters of the Conclave, but forcing him to bring an old enemy with him. When the mission takes a dramatic turn, Endric wants only to save Senda, but doing so brings him into a conflict that his Denraen training has not prepared him for. Can he trust Urik while saving Senda and still discover the secrets of the Conclave, or will he be the reason that Salvat falls?

Endric wants only to serve, but he's destined to lead. As the second son of the general of the Denraen, Endric wants only to fight, not the commission his father demands of him. When a strange attack in the south leads to the loss of someone close to him, only Endric seems concerned about what happened. All signs point to an attack on the city, and betrayal by someone deep within the Denraen, but his father no longer trusts his judgment. This forces Endric to make another impulsive decision, one that leads him far from the city on a journey where he discovers how little he knew, and how much more he has to understand. If he can prove himself in time, and with the help of his new allies, he can stop a greater disaster.

Ridmark Arban is the Shield Knight, the defender of the realm of Andomhaim. The realm is at peace after a long and terrible war, but dark powers threaten other lands. And when a mad elven wizard comes to the High King's court, Ridmark finds himself fighting not only for his own life, but for the lives of his family. For the quest of the Seven Swords has begun...

As Endric continues his search for the traitor Urik, a new threat emerges, one that demands the attention of the Denraen. Now an officer, Endric should be a part of the planning, but the general seems determined to keep him from it. Endric searches for information that might help him understand, and as he finally thinks he's getting close to discovering word on Urik, he's sent from the city on what appears nothing more than a pointless mission. When an asset he cares for goes missing, Endric betrays the Denraen to go after them, and doing so brings him into contact with the new threat. Endric might be the only one able to respond, but doing so means he must lead, something he's struggled with since his commission, and means he's drawn into a game of Urik's choosing, one where the stakes are his life and the leadership of the Denraen.

An in-depth look at the most groundbreaking and controversial comic book series of the last decade.

Exiled by his family. Claimed by thieves. Could his dark ability be the key to his salvation? Rsiran is a disappointment to his family, gifted with the ability to Slide. It is a dark magic, one where he can transport himself wherever he wants, but using it will only turn him into the thief his father fears. Forbidden from Sliding, he's apprenticed under his father as a blacksmith where lorcith, a rare, precious metal with arcane properties, calls to him, seducing him into forming forbidden blades. When discovered, he's banished, sentenced indefinitely to the mines of Ilphaesn Mountain. Though Rsiran tries to serve obediently, to learn to control the call of lorcith as his father demands, when his life is threatened in the darkness of the mines, he finds himself Sliding back to Elaeavn where he finds a black market for his blades - and a new family of thieves. There someone far more powerful than him discovers what he can do and intends to use him. He doesn't want to be a pawn in anyone's ambitions; all he ever wanted was a family. But the darkness inside him cannot be ignored - and he's already embroiled in an ancient struggle that only he may be able to end.

Destined to lead the Denraen, Endric knows he must first understand himself and his connection to teralin. They are answers he can only find learning about his ancestors, the mysterious Antrilii warriors. Finding them requires he travel north through lands the Denraen cannot safely patrol, and even accompanied by Brohmin, he might barely survive. Reaching the Antrilii is only part of the challenge, as not all are pleased he came to their lands. There he discovers a family secret that will require Endric to make a dangerous choice, but it might be the only way he can prove himself-not only to the Antrilii, but to himself-and save more than his family, but people he had never imagined he would call his own.

Endric returns to Vasha after discovering his connection to the Antrilii and how they serve the north but finds that much has changed, including his relationship with Senda and Pendin. As he struggles to understand how he can serve the Denraen, he learns that the Denraen hold Urik-and that his father has granted him the freedom of the city. Urik isn't done plotting and Endric fears that whatever he intends is the reason Mage Tresten has disappeared. Discovering those answers will put Endric at odds with the Denraen and sends him on a journey that leads to even more understanding about his role in the Denraen and the Conclave.

When the assassin Galen is hired to capture a slaver rather than kill, he learns his target is more than she appears. The job takes him deeper into the Eban underworld as he tries to understand how he's been used, and why his only friend in the city seems to know more than she should. Surviving pits him against those with abilities far exceeding his own, and leads him to realize that he has been a part of a much larger game. For him to escape, he'll have to learn what role he has to play, if only he can discover why everyone wants to use him.Set in the world of The Dark Ability and The Shadow Accords

An ancient artifact that must be found... Terrifying creatures from dark and dangerous Incendin... And long-forgotten elementals again unleashed on the world. As an earth senser, Tan is tasked with helping guide the king's servant through the dangerous mountain passes in search for the artifact before Incendin can reach it first. But after losing his father to the war, Tan wants nothing to do with the king's demands. When everything he knows is lost, he is forced to risk himself to save the one person who can find the artifact, a beautiful girl who has lost as much as Tan. In doing so, power the world hasn't seen in nearly a thousand years is awoken, and a warrior long thought dead returns to claim the artifact for himself.
