Anti-American feeling is at an all-time high. Other nations and cultures have singled out our businesses, government, and way of life for harsh scorn, widespread resentment, even violence. *Rebuilding Brand America* is an exploration of anti-Americanism, from its causes and earliest manifestations to current efforts to mitigate it. Martin explains why many of these efforts failed, and reviews the many prescriptions formulated by more than a dozen task forces. He then bases his recommendations on the best practices of leading companies, and on his own 32-year career in public relations and brand management. *Rebuilding Brand America* features exclusive interviews with journalists, media and PR professionals, and executives from global icons like McDonald's, Wal-Mart, and FedEx, and analyzes the groundbreaking work of thought leaders such as: * Pollster John Zogby, whose insights into the Muslim world continue to inform policy in the Middle East. * Newsweek editor Fareed Zakaria, whose essay on the 9/11 attacks shed new light on the Islamic mind. * Keith Reinhard, president of Business for Diplomatic Action, a non-partisan business group organized to fight anti-Americanism by addressing its causes in U.S. business practice. Based on a deep understanding of anti-Americanism's roots, *Rebuilding Brand America* is a call to action that will help U.S.-based companies prosper in global markets.

Author of more than thirteen books and several volumes of poetry, screenwriter, and director, Edith Bruck is one of the leading literary voices in Italy, attracting increasing attention in the English-speaking world not least for her powerful Holocaust testimony, which is often compared with the work of her contemporaries Primo Levi and Giorgio Bassani. Born in Hungary in 1932, she was deported with her family to the concentration camps of Auschwitz, Dachau, Christianstadt, Landsberg, and Bergen-Belsen, where she lost both her parents and a brother. After the war, she traveled widely until 1954 when she settled in Rome. She has lived there ever since. This important new study is motivated by a desire to better understand and situate Bruck's art as well as to advance (and, when necessary, to revise) the critical discourse on her considerable and eclectic body of work. As such, it underscores and analyzes the intermedial nature of her contributions to contemporary Italian culture, which should no longer be understood merely in terms of her willingness to revisit the subject of the Holocaust on the printed page or the silver screen. It also includes previously unpublished interviews with the author. The book will be of broad interest to scholars and students of Jewish (especially Holocaust) studies, Italian literature, film studies, women's studies, and postcolonial culture."This is the first comprehensive scholarly analysis of the work produced by a main contemporary author of Italian Holocaust literature, focused on Bruck's overall artistic production (novels, poetry, film, and TV productions). It will offer scholars and students alike a new interpretive perspective and a valuable source of reference for their studies." Gabriella Romani, Seton Hall University.
