Suitable for men who want to improve their behaviour, this title presents a programme that includes information about the effects of domestic abuse on children and about how to recognise an abuser.

The Secret Garden by Frances Hodgson Burnett from Coterie Classics All Coterie Classics have been formatted for ereaders and devices and include a bonus link to the free audio book. "Where you tend a rose my lad, a thistle cannot grow." ? Frances Hodgson Burnett, The Secret Garden The Secret Garden is a classic children's novel about a little girl who goes to live with her uncle and discovers a great secret.

Formatted to accompany Fundamentals of Nursing: Human Health and Function, Fourth Edition, this study guide offers a wealth of exercises to reinforce understanding and provide opportunities to practice what you have learned. Included are completion and matching exercises, "Skill Drills", true/false, short-answer and multiple-choice questions, critical thinking exercises and additional learning tools.

Military Flight training, 1907-1945.

This book explains violent and abusive behaviour and places it in a social context. It can help readers of any age and sexual orientation to change their own behaviour and to recognise when they are being controlled. "I can honestly say that without reading this book (9 times no less !) I don't think that I would be here today, relaxed in my own home with my children that I love so much."

This unique, state-of-the-art online resource provides students with the core knowledge needed to master essential nursing fundamentals and procedures. It includes more than 275 basic, intermediate, and advanced procedures in written or video form. The procedures presented match the Fundamentals of Nursing, Sixth Edition table of contents. Also, it includes downloadable procedures checklists for use in the nursing skills lab or on the job. Plus, numerous case studies that strengthen students' critical thinking skills by asking them how they would perform procedures, communicate with clients, and manage unexpected outcomes. Plus, additional NCLEX®-style questions allow students to test their mastery of key concepts. Students receive an individualized learning plan based on their results, pointing them towards multimedia materials they need to gain proficiency in procedures and concepts of fundamentals.
