Routine maintenance and repair is part of the
motorsports lifestyle. When the time comes, you have
two great options: You can take your Tao Motor vehicle
to an authorized Tao Motor dealer and have a trained
mechanic take care of it for you, or if you love spinning
your own wrenches you can buy parts online at one of
our U.S.-based parts stores, beastparts.com or
partskit.com.

The Haynes Service and Repair manual for the Piaggio Vespa Scooter.

Acclaimed as one of the most exciting books in the history of American letters, this modern epic became an instant bestseller upon publication in 1974, transforming a generation and continuing to inspire millions. This 25th Anniversary Quill Edition features a new introduction by the author; important typographical changes; and a Reader's Guide that includes discussion topics, an interview with the author, and letters and documents detailing how this extraordinary book came to be. A narration of a summer motorcycle trip undertaken by a father and his son, the book becomes a personal and philosophical odyssey into fundamental questions of how to live. The narrator's relationship with his son leads to a powerful self-reckoning; the craft of motorcycle maintenance leads to an austere beautiful process for reconciling science, religion, and humanism. Resonant with the confusions of existence, *Zen and the Art of Motorcycle Maintenance* is a touching and transcendent book of life.

Otto Klein is a young man living in Singen, Germany at

the start of World War II. His life-long ambition is to be a train engineer. After passing his examinations for the Railroad Institute, Otto is accepted into the school. His father, the chief of the Singen fire department, believes that Otto will follow in his footsteps and become a fireman. Otto chooses instead to follow his dream of becoming an engineer and in the process, ignites the anger of his father. Just before leaving Singen he meets Drina, a gypsy whose prophecy of marriage and children shakes him to his very core. After leaving Singen, Otto embarks on a career of improbable travels and dangerous missions that carry him closer and closer to the fulfillment of Drina's prophecy. Engine 81 is a story of family bonds ripped apart by pride and anger and the redemption of those bonds in the face of near certain death.

A service and repair manual with generic model coverage, suitable for 50 to 250cc scooters with carburettor engines. Includes a data section on the following models Aprilia SR50 (94-99), Rally 50, Sonic FT and GP, Leonardo 125.

With a Haynes manual, you can do it yourself...from simple maintenance to basic repairs. Haynes writes every book based on a complete teardown of the vehicle. We learn the best ways to do a job and that makes it quicker, easier and cheaper for you. Our books have clear instructions and hundreds of photographs that show each step. Whether you 're a beginner or a pro, you can save big with Haynes!

He was famous for telling stories. He could always make the story interesting. He had a way of seeing the best or funniest of every situation. He wrote down over 180 of his best stories in his last few years for all his family and friends. You will laugh, and relate to the stories of childhood, school years, and growing up during the depression. From his northern New Jersey, small town home he shares what it was like growing up in the 20's and 30's. From logging to working with horses, the stories provide a great view of the life style from that time period.

A planet plagued with tumult from outsiders and divided by its own religious dichotomy could face extinction if their faiths are not united and an unholy artifact is destroyed. Safiro, the God of Death, and Sanguina, the Goddess of Life, created two heroes (Vytametas) -- mirror twins separated at birth yet destined to meet in a place where the future of their world will be decided by their powers. The only people who know not the ultimate purpose of the legendary Vytametas are the young heroes themselves. While the teenage Vytametas learn of their world and of their mission, they will be turned against each other by the two faiths they are meant to save: the demented Safiric Brotherhood and the shady Sanguinic Sisterhood.
