Tarot Cards & Hair Dye covers a wide range of emotions that truly mirror real life. I laughed, I got mad, I felt empathy and yes, I felt the sadness too. It is well written and is quite engaging. I did also find myself wondering what "Her" thought of the book. I would have loved to have been a fly on the wall, watching her give it a read.

it. Although few literature and books exist in the world today, some became a part of our lives. One of these, and the most effective, perhaps, is the Tarot cards. Tarot cards have the ability to illuminate and reveal the future as well as shed light on the aspects of present that could lead to the divined future.

Most Tarot instruction books require readers to memorize the keywords of each card, but here each card is boiled down into three elements: identity, action, and result/quality to form a simple sentence and give meaning to the three-card spread. Original.

Say goodbye to ceremonial robes, incense, candles, and oils. Donald Tyson presents a new, easy way to perform ritual magic with only one tool: tarot. From manipulating elemental forces of nature to making potent charms, all ceremonial rituals can be performed with a standard 78-card deck. Tyson's efficient system of tarot magic is based on the Golden Dawn tradition, which corresponds with tarot imagery. He teaches how to work magic on the astral level by projecting one's awareness into the ritual tarot layout.
