With engaging images that together not only offer insight but inspire joy. Kids see the world in a way that adults don't, so glimpsing life through a child's eyes offers a fresh—and often funny—perspective. Kids encourage us to be open-minded: There are a lot of different ways to get to the top of the jungle gym. To be fearless: Jump right in or you may change your mind about swimming. To aim high: Even babies grab for things just beyond their reach. To be kind to yourself: Sometimes you need a Saturday on a Wednesday. To follow your own path: If the flowers you draw don't look like anyone else's, that's good. And to stay young: Go barefoot! Tune in to the chatter on the playground,

When Friedman moved to New York City, he missed the dogs that had surrounded him growing up. He began photographing dogs on the street, and posting them on his blog, The Dogist. Whether because of the look in a dog's eyes, its innate beauty, or even the clothes its owner has dressed it in, every portrait in this book tells a story and explores the dog's distinct character and spirit.

treadmill. The book is divided into three parts: - Basics such as the functions of the underwater treadmill, how the dog "works" on the underwater treadmill, training theory principles. - For the practice, e.g. medical findings, suggestions for the treatment of elbow dysplasia, hip dysplasia, etc. - From experience, e.g. Bobby, a golden retriever suffering from arthrosis, who serves as an example of treating a dog with a chronic disease. Further examples include Cindy and Murphy. 60 figures and 22 tables additionally illustrate the content of this book. The book's structure facilitates the finding of required information.

to a tooting bulldog, Vincent Musi chronicled the character and personality of everyday dogs and compiled them into one gorgeous and captivating book. Discover the stunning collection of photographs that shows the majesty, playfulness, and joy that is man's best friend: As a National Geographic photographer, taking pictures of lions, tigers, and bears was a regular day's work for Vincent Musi, but in 2017 he gave himself a new challenge: dogs. Using the same lighting and photographic techniques he uses for his National Geographic photography, Musi spent a year shooting portraits of dogs and compiling them into a book complete with all of the tail wags, wet noses, and dogs of all shapes
