~~Being a glamour goddess has never been so easy! Transform yourself from drab to fab with this nifty guide to all things glamorous! Whether you want to have the shiniest hair or convince people you're a celebrity, this book will show you how! Being a glamour goddess has never been so easy. Inside this handy guide you'll find instructions on how to host a spa party, create your own style, exit a limo gracefully, make your own body glitter, persuade your best friend to lend you her clothes, put on a fashion show, make your own jewelry box, and much, much more~~

~~Be confident. Be gorgeous. Be glamorous. The tips and tricks in this book will help girls reveal the goddess inside - including: how to host a spa-style party; how to work out your face-shape; how to make your own signature perfume; how to stop biting your nails; how to pretend you've got freckles; how to jazz up a boring ponytail; how to give yourself a mini facial, and much more.~~

~~A handbook provides tips on how to behave in a variety of situations and how to improve one's personal appearance, discussing how to put on a fashion show, cry at a wedding, and smell sweet.~~

~~Showcasing three decades of Glamour's Women of the Year, this book is a record of the ceiling-shattering achievements that have reshaped our world, and a manual for success for the women of today-and tomorrow For over 80 years, Glamour has been the preeminent female empowerment title in America. From Glamour's origin as the magazine "for the girl with a job" to today, strong, ambitious women have always taken center stage, and no place more so than at Glamour's annual Women of the Year Awards. Launched in 1990, the annual awards have become a 30-year living, breathing history, mapping out the evolution of women's power across the worlds of film, politics, sports, activism, and more. Many of the names are familiar. We've grown up with Billie Jean King, Madonna, Nora Ephron, and Ruth Bader Ginsburg. Titans of change like Michelle Obama and Malala Yousafzai have rocked our world in lasting ways. Stars such as Reese Witherspoon, Ava DuVernay, Julianne Moore, Lupita Nyong'o, and Ashley Graham have used their global influence to shift the needle in filmmaking, reproductive rights, criminal justice, and representation. Other names you may not know so well include women who have transformed the futures of school children in local communities, and teens who organized millions to fight against gun violence. Glamour's 30 Years of Women Who Have Reshaped the World touches on some of the most culturally important moments of our recent history. Additionally, it includes original content from Shonda Rhimes, Diane von Furstenberg, Arianna Huffington, and more to inspire future generations. Most importantly, the book offers inspiration and service, reminding today's women and girls that, in the words of 2015 Women of the Year honoree Reese Witherspoon, ambition is not a dirty word.~~

~~An exploration of glamour, a potent cultural force that influences where people choose to live, which careers to pursue, where to invest, and how to vote, offers empowerment to be smarter about engaging with the world.~~

~~The internationally bestselling author of Sparkles is back with an irresistibly juicy novel about three powerful women - once best friends, now deadly rivals Texan honey Sally Lassiter, English rose Jane Morgan, and exotic Jordanian beauty Helen Yanna meet at an exclusive girls' school in L.A. and vow that nothing will ever tear them apart. But when catastrophe strikes, two of the young women find themselves grieving and penniless, and the third will be forced into a fate she could never have foreseen. In their struggle to rebuild their lives, Helen, Sally, and Jane come together to create a high-end department store called Glamour. But as money and recognition rocket them into the spotlight, they quickly discover what happens to promises when money is no object. Lust has no bounds, and glamour is worth everything in this seductive rags-to-riches saga.~~

~~Born under a hunter's moon, abandoned as a child, I was raised to be a powerful sorceress-okay, a mediocre sorceress. All right, I'm good at glamour and can make things sparkle, if my spells don't backfire. It was foretold long ago that I was a child of prophecy that would unite the fae and humans of Candor. The only problem, no one told me, and now the king wants me dead. For I am Eden, one of the adoptive daughters of Lady Eville, and I have to attend the royal masquerade ball-not to win a prince, but to avenge my parents. Even if it means pretending to be a fairy godmother and wreaking a little havoc.~~

~~A glamorous and sumptuous celebration of Black female artists, actors, entertainers and writers of the 20th century~~

~~Early in the history of English, the words "grammar" and "glamour" meant the same thing: the power to charm. Roy Peter Clark, author of Writing Tools, aims to put the glamour back in grammar with this fun, engaging alternative to stuffy instructionals. In this practical guide, readers will learn everything from the different parts of speech to why effective writers prefer concrete nouns and active verbs. THE GLAMOUR OF GRAMMAR gives readers all the tools they need to "live inside the language"--to take advantage of grammar to perfect their use of English, to instill meaning, and to charm through their writing. With this indispensable book, readers will come to see just how glamorous grammar can be.~~
