When Alice's family home has to be sold, she and her father Barney will do whatever it takes to buy it back - even if whatever it takes isn't strictly legal. And when Alice is expelled and sent away to an isolated boarding-school, she'll do whatever it takes again to get away.

The Children of Castle Rock by Natasha Farrant

I was really looking forward to reading The Children of Castle Rock, partly because I had really enjoyed Natasha Farrant's Bluebell Gadsby series, and partly because the story seemed right up my alley-- a boarding school story about friendships and misfit underdogs and mystery and adventure.

Children Of Castle Rock: Natasha Farrant: 9780571323562...

THE CHILDREN OF CASTLE ROCK. They were alone, far from home, on an island, with the sea rising and nobody knew where they were . . . Alice Mistlethwaite has been packed off to an unusual boarding school in Scotland! Everyone is talking about the great orienteering challenge, where students are sent off, unsupervised, for three days!

The Children of Castle Rock by Natasha Farrant | Waterstones

Although it has echoes of other children's books (not only JK Rowling but also Eva Ibbotson and Enid Blyton), this wise and touching novel has originality and a fresh voice. There are melodramatic elements (a theft, villains with guns), but mostly it is about friendship, families, loss and trust, the joy of nature, facing fears and how children should live big lives.

The Children of Castle Rock: Amazon.co.uk: Farrant...

In fact, some of the kids in Castle Rock are depicted in a similar light to the cult of children from Children of the Corn (with their own ragtag hierarchy). And this then ties into yet another connection: religion. He Who Walks Behind the Rows is worshipped like a god, with the children even appointing a high priest among them.

Castle Rock: Who Is Bill Skarsgård's Mysterious Character?

Ralph sees Castle Rock for what it lacks there are no natural resources that will benefit the boys in surviving on the island. Jack along with some other boys see Castle Rock as an "awesome fortress".

The Children of Castle Rock | Faber & Faber

The Children of Castle Rock was a pretty wholesome adventure story in the style of a modern Enid Blyton novel, but I do have some mixed feelings towards it. The setting of Stormy Loch was like a character of its own, possessing restorative qualities and instilling a sense of adventure in the protago...more

Books similar to The Children of Castle Rock

During divorce proceedings, Jessica Lemahan-Gonzales, a resident of Castle Rock, Colorado, obtained a permanent restraining order against her husband Simon, who had been stalking her, on June 4, 1999, requiring him to remain at least 100 yards (91 m) from her and her four children (son Jesse, who is not Simon's biological child, and daughters Rebecca, Kathryn, and Leslie) except during specified visitation time. On June 22, at approximately 5:15 pm, Simon took possession of his three ...

Town of Castle Rock v. Gonzales - Wikipedia

I have just finished The Children of Castle Rock. It made me long for Scotland and sleeper trains, of course, and I was delighted to see the children out in wild countryside, coping with weather. A lovely cast. But what I enjoyed most was the narrative voice- so E Nesbit- I can't think of any other modern writer who has done that.

Amazon.co.uk Customer reviews: The Children of Castle Rock

Years later, Old James, his sons Walter and Andrew, and Andrew's wife Agnes and son Young James travel to America. Young James goes missing during the voyage, frightening Agnes, and later dies shortly after their arrival. Walter meets a wealthy but ill woman in America but refuses her father's offer of employment.

The View from Castle Rock Summary | SuperSummary

Castle Rock is located at (39.372212, ?104.856090) at an elevation of 6,224 feet (1,897 m Castle Rock is in central Colorado at the junction of Interstate 25 and State Highway 86, 28 mi (45 km) south of downtown Denver and 37 mi (60 km) north of Colorado Springs.. The town lies a few miles east of the Rampart Range of the Rocky Mountains on the western edge of the Great Plains.

Like many girls, Alice Mistlethwaite idolises her father, Byron. He is a hero: brave, kind and impossibly funny. It's just a shame that he's always in and out of prison...After a particularly naughty outing, Alice's Aunt Patience decides to take action. Alice is to be sent to St Cutbert's School for Winners - where competition runs deep, and being 'outdoorsy' is not optional. Much to her own surprise, Alice fits in far better than she ever has before, swiftly making friends and enjoying running wild in the Scottish countryside. But then Byron disappears - or rather his letters stop - and Alice becomes convinced something has happened to him. Aunt Patience is much less sure (and worse, seems to think he has something to do with a robbery that's making the news), but Alice is undeterred. Armed with her new friends, and a handy opportunity to escape from school, she sets off on an epic quest to find her father, prove everyone wrong about him - and perhaps discover some home truths about herself and her family along the way.

When Alice's family home has to be sold, she and her father Barney will do whatever it takes to buy it back - even if whatever it takes isn't strictly legal. And when Alice is expelled and sent away to an isolated boarding-school, she'll do whatever it takes again to get away. But Stormy Loch Academy isn't quite what she expected. With its strange rules and eccentric headmaster and rag-tag mix of students and teachers, it has a way of growing on you. Still, when Barney goes missing (all that not strictly legal business) she knows she has to rescue him. Armed with two new friends, she sets off on an epic quest through the wild Scottish highlands and islands to finally get her heart's desire - but does she know anymore exactly what that is? Both hilarious and heartfelt, this is the classic adventure story brought bang up to date, and told in Natasha's inimitable voice.

A new collection of stories by Alice Munro is always a major event. This new collection — her most personal to date — is no exception. Alice Munro's stories are always wonderful and so ingrained with truths about life that readers always want to know where they came from. In this book, Alice Munro tells us. In her Foreword (an unusual feature in itself), she explains how she, born Alice Laidlaw in Ontario, in recent years became interested in the history of her Laidlaw ancestors. Starting in the wilds of the Scottish Borders, she learned a great deal about a famous ancestor, born around 1700, who, as his tombstone records, “for feats of frolic, agility and strength, had no equal in his day.” She traced the family’s history with the help of that man’s nephew, the famous writer James Hogg, finding to her delight that each generation of the family had produced a writer who wanted to record what had befallen them. In this way, she was able to follow the family’s voyage to Canada in 1818, and their hard times as pioneers — once a father dies on the same day that a daughter is born in the same frontier cabin. “I put all this material together over the years,” Alice tells us, “and almost without my noticing what was happening, it began to shape itself, here and there, into something almost like stories. Some of the characters gave themselves to me in their own words, others rose out of their situations.” As the book goes down through the generations, we come to Robert Laidlaw, Alice’s father, and then, at the book’s heart, the stories become first-person stories, set during her lifetime. So is this a memoir? No. She drew on personal experiences, “but then I did anything I wanted to with this material, because the chief thing I was doing was making a story.” The resulting collection of stories range from the title story — where through a haze of whiskey Alice’s ancestors gaze north from Edinburgh Castle at the Fife coast, believing that it is North America — all the way to the final story, where we travel with “Alice Munro” today. In the author’s words, these stories “pay more attention to the truth of a life than fiction usually does. But not enough to swear on.” All of them are Alice Munro stories. There could be no higher praise.

Critically acclaimed in the UK, Brightstorm is a fast-paced fantasy adventure novel that will set imaginations soaring. Arthur and Maudie Brightstorm receive devastating news: their famous explorer father has died in a failed attempt to reach South Polaris. To make matters worse, the Lontown Geographical Society finds Ernest Brightstorm guilty of sabotaging the expedition of his competitor, Eadora Vane. But a mysterious clue leads the twins to question the story they’ve been told—and to uncover the truth, they must undertake the journey of a lifetime. Joining the ragtag crew of a homemade sky-ship captained by the intrepid Harriet Culpepper, Arthur and Maudie race to South Polaris to salvage their family’s reputation and find out what really happened on their father’s doomed expedition. Brightstorm is a propulsive and compelling fantasy adventure set among the vibrant landscapes and dynamic characters of Vashiti Hardy’s vividly imagined world.

A girl determined to follow her dream persuades two friends to join her for an off-the-grid adventure that becomes a survival story as they confront storms, illness, injury, and a gang of international jewel thieves. Desperate to meet up with her unpredictable father, quiet Alice persuades two friends to abandon their boarding school’s orienteering exercise and head for a remote, inaccessible island. As they confront storms, illness, injury, and a gang of international jewel thieves, the quest tests their courage and loyalty and strengthens the bonds of friendship. Readers will cheer the runaways on, laugh with them at their foibles, and share Alice’s pleasure in overcoming the obstacles that stand in her way. This combination adventure, school story, and family story will delight fans of all three genres.

Golding's iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age. This edition includes a new Suggestions for Further Reading by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued.

From a beloved middle grade author: a propulsive seafaring adventure in search of loved ones and a place to call home. In the aftermath of World War One, everyone in the small town of Barton is rebuilding their lives. Ben needs to find his brother, Sam—who was wounded in action and is now missing—if he wants to avoid being sent to the orphanage. Lotti’s horrible aunt and uncle want to send her away from her beloved home to boarding school, just when she has successfully managed to get expelled from her last one. When a chance encounter brings the two children together, each recognizes the other as a kindred spirit. But just as they’ve found their feet, disaster strikes, and Ben and Lotti must run away. They hatch a plan to cross the English Channel on Ben’s narrowboat, the Sparrowhawk, and track down Sam in France. But there’s something in France that Lotti is looking for, too. . . . Funny, heartwarming, and wise, Voyage of the Sparrowhawk is full of high stakes, twists and connections, and—most of all—adventure.

Set in the fictional town of Castle Rock, Maine A #1 New York Times bestseller about a man who wakes up from a five-year coma able to see people’s futures and the terrible fate awaiting mankind—a “compulsive page-turner” (The Atlanta Journal-Constitution). Johnny Smith awakens from a five-year coma after his car accident and discovers that he can see people’s futures and pasts when he touches them. Many consider his talent a gift; Johnny feels cursed. His fiancée married another man during his coma and people clamor for him to solve their problems. When Johnny has a disturbing vision after he shakes the hand of an ambitious and amoral politician, he must decide if he should take drastic action to change the future. With “powerful tension that holds the reader to the story like a pin to a magnet” (The Houston Post), The Dead Zone is a “faultlessly paced...continuously engrossing” (Los Angeles Times) novel of second sight.

In 1940, during the Blitz, Kat Bateson is sent to a school in a Scottish castle that is said to be haunted by dark magic from the past, but when some of her classmates disappear, she wonders if the magic exists very much in the present.

Ten-year-old William receives a wooden model of a medieval castle as a gift. It has everything he could possibly want, right down to a miniature drawbridge, a portcullis and a silver knight. In this enthralling story that weaves the everyday problems of growing up with magic and fantasy, the castle introduces William to an adventure involving magic, a ferocious dragon, a wicked wizard, and his own personal quest, where courage will finally triumph over fear.
