Combat diabetes with this essential companion to New York Times bestselling Dr. Michael Mosley's groundbreaking The 8-Week Blood Sugar Diet, featuring over a hundred delicious and healthy recipes. The 8-Week Blood Sugar Diet revealed new, staggering scientific studies on diabetes and demonstrated a revolutionary 8-week plan, including an 800-calorie daily diet, to reverse the disease's effects. Now continue battling diabetes with these simple and delectable recipes that can lower your blood sugar level and help you shed unwanted pounds. Also discover updated nutritional advice, tips for home cooks of every skill level, and detailed menu plans. It's never too late to fight off diabetes, and with the recipes in The 8-Week Blood Sugar Diet Cookbook, it's possible to ensure more long-term health benefits in an easy and effective manner!

Discover the groundbreaking method to defeat diabetes without drugs using the step-by-step diet plans and recipes from #1 New York Times bestselling author Dr. Michael Mosley. The 8-Week Blood Sugar Diet is a radical new approach to the biggest health epidemic threatening us today... Our modern diet, high in low-quality carbohydrates, is damaging our bodies—producing a constant overload of sugar in our bloodstream that clogs up our arteries and piles hidden fat into our internal organs. The result has been a doubling in the number of type 2 diabetics, as well as a surge in those with a potentially hazardous condition—prediabetes. It is now known that even moderately elevated blood sugar levels can trigger heart disease, stroke, dementia, and cancer. But scientists have recently demonstrated that you can prevent and even reverse type 2 diabetes with a simple change in diet and lifestyle. Drawing on the work of Dr. Roy Taylor—one of the UK's foremost diabetes experts—and his own experience as a one-time diabetic, Dr. Michael Mosley presents a groundbreaking, science-based, 8-week plan for diabetics who want to reverse their condition (and then stay off medication). He also offers a more flexible regime for people interested in the extensive health benefits to be gained from lowering their blood sugar levels and shedding dangerous fat. As Dr. Mosley says, it is never too late to act.

The Essential Blood Sugar Diet Recipe Cookbook Get your copy of the most unique recipes from Jessica Oliver ! Do you miss the carefree years when you could eat anything you wanted?Are you looking for ways to relive the good old days without causing harm to your health?Do you want an ideal way to preserve your food?Do you want to lose weight?
