Legend has it the faithful ship continues to patrol the empty battlefield, obeying its last order throughout the lonely centuries.In the here and now, Earth needs a miracle. Out of the Beyond invade the New Men, stronger, faster and smarter than the old. Their superior warships and advanced technology destroy every fleet sent to stop them. Their spies have infiltrated the government and traitors plague Earth's military. Captain Maddox of Star Watch Intelligence wonders if the ancient legend could be true. Would such an old starship be able to face the technology of the New Men? On the run from killers, Maddox searches for a group of talented misfits. He seeks Keith Maker, a drunken ex-strikefighter ace, Doctor Dana Rich the clone thief stuck on a prison planet and Lieutenant Valerie Noonan, the only person to have faced the New Men in battle and survived to tell about it. Maddox has to find a place hidden in the Beyond and bring back a ship no one can enter. If he fails, the New Men will replace the old. If he succeeds, humanity might just have a fighting chance...

Across thousands of light-years, a vast armada of warships is heading for Earth to burn the homeworld down to its bedrock as the Swarm begins its genocidal campaign against the human race. The seventh novel in Cherryr ' s Foreigner space opera series, a groundbreaking tale of first contact and its consequences... It has been two years since the starship Phoenix left Alpha Station on a rescue mission where over four thousand human spacers were under attack by a hostile alien race. Now, exhausted from their journey, the crew of the Phoenix yearns for home. But when the ship makes the jump into atevi space and contacts Alpha, they learn the worst: that supplies to the station have been cut off; that civil war has broken out on the atevi mainland; that the powerful Western Association has been overthrown; and that Tabini-aiji, Bren Cameron's primary supporter and Ilisidi's grandson and ally, is missing and may be dead. With no one left to lead the Western Association, Ilisidi and Bren know that the survival of their allies lies in their hands. And with the atevi world at war, the only safe landing strip lies on the human colony at Mospheira. Although there are many dangers inherent in bringing a powerful atevi leader such as Ilisidi onto human lands, Bren realizes they have no other choice. But even if they safely survive their landing, will Bren and Ilisidi together prove strong enough to muster the remaining shards of the Western Association and regain control of their planet? The long-running Foreigner series can also be enjoyed by more casual genre readers in sub-trilogy installments. Destroyer is the 7th Foreigner novel, and the 1st book in the third subtrilogy.

Nathan James is relatively unscathed, but the future is grim and Captain Thomas is facing mutiny from the tattered remnants of his crew. With civilization in ruins, he urges those that remain—one-hundred-and-fifty-two men and twenty-six women—to pull together in search of land. Once they reach safety, however, the men and women on board realize that they are earth ' s last remaining survivors—and they ' ve all been exposed to radiation. When none of the women seems able to conceive, fear sets in. Will this be the end of humankind?

Aboard the ship are human colonizers, the Space Navy, fierce " Monitors " once bred to fight Cyborgs, and four " Specials " — humans with psionic abilities, capable of ripping holes in space to jump vast distances. But one Special has his own agenda and when an alien presence makes an offer he can't refuse, the entire mission takes a deadly turn.Cyrus Gant, a former Dust-dealing gang member from Earth's subterranean slums, is onto the renegade Special. And while his psi powers aren't as strong as he might like, Cyrus's street smarts more than make up for this seeming disadvantage. This will be crucial, because as the ship makes the final, frightening leap toward New Eden, Cyrus is everyone's last hope for survival.
