Simon Potter’s new message of hope and courage for a troubled world Nearly twenty years ago in a Chicago parking lot, Og Mandino met a man who changed his life and who inspired millions of readers in the pages of Mandino’s classic bestseller The Greatest Miracle in the World. The man’s name was Simon Potter and he called himself a ragpicker—because he had devoted his life to rescuing people who had ended up on life’s refuse pile. But just as suddenly and mysteriously as Simon Potter entered Og Mandino’s life, so did he leave it—his work apparently done. Three years ago, however, Simon Potter walked back into Mandino’s life. Ninety-five years old and going strong, the ragpicker knew his work was not yet finished; the world was still mired in frustration and despair, plagued by drugs, crime, broken families, and broken dreams. And so, he and Og Mandino vowed to deliver a precious new gift to humankind: a life guide to renewed strength, courage, wisdom, and faith for all.

Start today to transform your dreams into wonderful reality. . . . Simon Potter was a "ragpicker" and salvager of human lives. When this wise and humble man departed from life, he left author Og Mandino a precious legacy: the distilled wisdom of his unique collection of the greatest books about self-motivation and success--books he called "hand of God" books because they seemed to have been written with God's hand guiding the author's own. In this tender and inspiring book, Og shares with his millions of readers his old friend's bequest. It is nothing less than a blueprint for success, telling us in plain language exactly what we must do to mount the seven rungs of life's ladder--from material achievement and worldly success to the highest spiritual development. Whatever your most cherished dream may be, Og and his good angel Simon will show you the way to bring it within reach.

The greatest success authorities in the world share their most treasured success secrets. Each powerful lesson will bring you closer to your life’s goals:
• How to conquer the ten most common causes of failure
• How to make the most of your abilities
• How to find the courage to take risks
• How to stop putting things off
• How to build your financial nest egg
• How to look like a winner
• How to take charge of your life
• And much more in fifty memorable presentations by the greatest success authorities. Dean of this unique University of Success is Og Mandino, the most acclaimed self-help writer of this generation. The faculty he has assembled includes such celebrities as Dr. Wayne W. Dyer, Dale Carnegie, W. Clement Stone, Napoleon Hill, George S. Clason, Nena and George O’Neil, Dr. Joyce Brothers, Michael Korda, Lord Beaverbrook, Dr. Norman Vincent Peale, and many more winners in life.

The author presents a journal that combines a record of the events of his daily life in New Hampshire with the secrets of success

The author recounts his descent into despair and his discovery of spiritual nourishment in the works of Aristotle, Emerson, Ben Franklin, and Plato, and enumerates the seventeen rules that helped transform his life. Og Mandino was one of the leading inspirational authors in the world. But once, he was a thirty-five-year-old derelict who nearly spent his last few dollars on a suicide gun. In A Better Way to Live, he describes the joyously redemptive process that turned a down-and-out alcoholic into a millionaire and a happy man within ten years. Og Mandino is the only person who could tell this heartwarming tale of personal triumph—because it is his own true story. And it can profoundly influence your life. Here are the principles that turned Og Mandino’s life around: his seventeen “Rules to Live By.” These simple, easy-to-follow rules comprise a sound, wise prescription for inner growth and for a fulfilling everyday life that will work for you—just as it worked for Og Mandino. You can avoid spending even one more day feeling failure, grief, poverty, shame, or self-pity. Here is a better way to live: a way that literally saved Og Mandino’s life, a way that can help make your dreams come true.

Choice! The key is Choice. You have options. You need not spend your life wallowing in failure, ignorance, grief, poverty, shame, and self-pity. But, hold on! If this is true then why have so many among us apparently elected to live in that manner? The answer is obvious. Those who live in unhappy failure have never exercised their options for a better way of life because they have never been aware that they had any Choices !

A surprising new message for Og Mandino’s millions of readers—the priceless legacy of the commandments of success. Through the deeply inspirational story of one extraordinary man who lived in the time of Christ—you, too, can learn to shed failure, overcome frustration and heartbreak to achieve a rich, satisfying life of peace and well-being. Now, with Og Mandino’s help and guidance, you can play the game of life fearlessly—and win. Accept his precious gift of wisdom and know the true rewards of limitless personal success

Reluctantly, he agrees, and meets a hopeless player who bears a striking resemblance to his dead son--and through their extraordinary relationship, John finds the wisdom in living that he thought had slipped beyond his grasp forever.... “A work that will lift the mind and heart of every reader!”—Norman Vincent Peale

The runaway bestseller with more than four million copies in print! You too can change your life with the priceless wisdom of ten ancient scrolls handed down for thousands of years. “Every sales manager should read The Greatest Salesman in the World. It is a book to keep at the bedside, or on the living room table—a book to dip into as needed, to browse in now and then, to enjoy in small stimulating portions. It is a book for the hours and for the years, a book to turn to over and over again, as to a friend, a book of moral, spiritual and ethical guidance, an unfailling source of comfort and inspiration.”—Lester J. Bradshaw, Jr., Former Dean, Dale Carnegie Institute of Effective Speaking & Human Relations “I have read almost every book that has ever been written on salesmanship, but I think Og Mandino has captured all of them in The Greatest Salesman in the World. No one who follows these principles will ever fail as a salesman, and no one will ever be truly great without them; but, the author has done more than present the principles—he has woven them into the fabric of one of the most fascinating stories I have ever read.”—Paul J. Meyer, President of Success Motivation Institute, Inc. “I was overwhelmed by The Greatest Salesman in the World. It is, without doubt, the greatest and the most touching story I have ever read. It is so good that there are two musts that I would attach to it: First, you must not lay it down until you have finished it; and secondly, every individual who sells anything, and that includes us all, must read it.”—Robert B. Hensley, President, Life Insurance Co. of Kentucky
