The Ring Koji Suzuki Book
Ring is a Japanese mystery horror novel by Koji Suzuki first published in 1991, and set in modern-day Japan. The novel was the first in the Ring novel series, and the first of a trilogy, along with two sequels: Spiral and Loop. The original Ring novel sold 500,000 copies by January 1998, and 1.5 million copies by July 2000. Ring was the basis for the Ring franchise, including a 1995 television film, a 1998 theatrical film of the same name, a television series, and two international film remakes

Ring (Suzuki novel) - Wikipedia
Ring by Koji Suzuki Published in 1991, this novel was the basis for the terrifying Ring films which cast terror into the hearts of viewers; making them dread that ominous phone call and hearing those words "seven days". Considered the "Japanese Stephen King", Koji Suzuki is, in my opinion, a VERY good writer.

Ring by Koji Suzuki Read Online on Bookmate
Ring is the thriller that spawned the entire J-horror craze. Though there is a Ring 2 movie, it has nothing to do with Koji Suzuki ' s story. The real sequel, an avidly-awaited follow-up to the epoch-making Ring, is the acclaimed Spiral, in which Suzuki folds the story back on itself, reinterprets it, and adds levels of complexity, science, and ...

The Ring Trilogy — Vertical, Inc.
Ring is the first of a book trilogy that features: Spiral (1995) and Loop (1998). Taking on a more of a thriller genre, Ring uses the tension of an imposing deadline to add suspense to the drama. This was not what I was expecting going into it; however, it was a welcoming surprise. Press Play

Ring by Koji Suzuki - review Books The Guardian
Koji Suzuki ' s quirky little book dating back to the late 1980s has truly created a phenomenon on both sides of the planet. Ring, the original novel, holds up as well now as it did two years ago, which is to say it ' s a little dated, but you ' d expect that considering it was originally published in Japan almost twenty years ago. The first novel, the genesis of the Suzuki legend in horror fiction, introduces the Ring curse, a nasty bug that combines old-world mysticism and modern ...

The Inspiration for the New Major Motion Picture RINGS A mysterious videotape warns that the viewer will die in one week unless a certain, unspecified act is performed. Exactly one week after watching the tape, four teenagers die one after another of heart failure. Asakawa, a hardworking journalist, is intrigued by his niece's inexplicable death. His investigation leads him from a metropolitan tokyo teeming with modern society's fears to a rural Japan--a mountain resort, a volcanic island, and a countryside clinic--haunted by the past. His attempt to solve the tape's mystery before it's too late--for everyone--assumes an increasingly deadly urgency. Ring is a chillingly told horror story, a masterfully suspenseful mystery, and post-modern trip. The success of Koji Suzuki's novel the Ring has lead to manga, television and film adaptations in Japan, Korea, and the U.S.

Stunning, cutting-edge thriller with a chilling supernatural twist from Japan's stylish new literary star. Asakawa is a hardworking journalist who has climbed his way up from local-news beat reporter to writer for his newspaper's weekly magazine. A chronic workaholic, he doesn't take much notice when his seventeen-year-old niece dies suddenly -- until a chance conversation reveals that another healthy teenager died at exactly the same time, in chillingly similar circumstances. Sensing a story, Asakawa begins to investigate, and soon discovers that this strange simultaneous sudden-death syndrome also affected another two teenagers. Exactly one week before their mysterious deaths the four teenagers all spent the night at a leisure resort in the same log cabin. When Asakawa visits the resort, the mystery only deepens. particular videotape. When he watches it, instead of a movie he finds an odd collection of disparate images with a portentous message at the end: Those who have viewed these images are fated to die at this exact hour one week from now. Asakawa finds himself in a race against time -- he has only seven days to find the cause of the teenagers' deaths before it finds him. The hunt puts him on the trail of an apocalyptic power that will force Asakawa to choose between saving his family and saving civilization.

The Inspiration for the New Major Motion Picture RINGS A mysterious videotape warns that the viewer will die in one week unless a certain, unspecified act is performed. Stunning Japanese novel with a chilling twist – the follow-up to Ring and Spiral.

Twenty-one years after the legendary bestseller Ring, which spawned blockbuster films on both sides of the Pacific, and thirteen years after Birthday, the seeming last word on iconic villain Sadako and her containment, internationally acclaimed master of horror and Shirley Jackson Award-winner Koji Suzuki makes his much-awaited return to the famed trilogy ' s mind-blowing story world with a new novel. S. Takanori Ando, son of Spiral protagonist Mitsuo, works at a small CGI production company and hopes to become a filmmaker one day despite coming from a family of doctors. When he ' s tasked by his boss to examine a putatively live-streamed video of a suicide that ' s been floating around the internet, the aspiring director takes on more than he bargained for. His lover Akane, an orphan who grew up at a foster-care facility and is now a rookie high-school teacher, ends up watching the clip. She is pregnant, and she is...trIGGERED. Sinking hooks into our unconscious from its very first pages with its creepy imagery, and rewarding curious fans of the series with clever self-references, here is a fitting sequel to a tale renowned for its ongoing mutations.

ADVENTURE / THRILLER. Stunning Japanese thriller with a chilling supernatural twist. The novel that inspired the cult Japanese movie and the Hollywood blockbuster of the same name. Asakawa is a hardworking journalist who has climbed his way up from local-news beat reporter to writer for his newspaper's weekly magazine. A chronic workaholic, he doesn't take much notice when his seventeen-year-old niece dies suddenly -- until a chance conversation reveals that another healthy teenager died at exactly the same time, in chillingly similar circumstances. Sensing a story, Asakawa begins to investigate, and soon discovers that this strange simultaneous sudden-death syndrome also affected another two teenagers. Exactly one week before their mysterious deaths the four teenagers all spent the night at a leisure resort in the same log cabin.

A selection of deliciously spooky short stories from the Japanese master of suspense, the acclaimed author of RING. The film DARK WATER is based on the first story in the collection.

Edge begins with a massive and catastrophic shifting of the San Andreas fault. The fears of California someday tumbling into the sea--that have become the stuff of parody--become real. But even the terror resulting from this catastrophe pales in comparison to the understanding behind its happening, a cataclysm extending beyond mankind's understanding of horror as it had previously been known. The world is falling apart because things are out of joint at the quantum level, about which of course there's never been any guarantee that everything has to remain stable. Koji Suzuki returns to the genre he's most famous for after many years of "not wanting to write any more horror." As expected from Suzuki, the chills are of a more cerebral, psychological sort, arguably more unsettling and scary than the slice-and-dice gore fests that horror has become known in the U.S. Never content to simply do "Suzuki"--as it were--but rather push the envelope on what horror is in general and for which readers have come to know him, Edge City borders on being cutting-edge science fiction. The author himself terms this novel, which he has worked on for some years, a work of "quantum horror."

Together for the first time, in ebook form, the stunning, cutting-edge thrillers with a chilling supernatural twist from the Japanese master of suspense. THE RING is the famous novel that spawned the big-budget blockbuster US horror movie of the same name.

Paradise is a love story told through three separate narratives. Each takes place in a different location and period of time - from the Mongolian desert to a tropical Pacific Island, and finally to modern-day America. It becomes clear that each couple from the three storylines is the reincarnation of the same man and woman, and that in spite of the odds and whatever tragedy might interfere, fate conspires to bring them together again and again in each successive life.
