The RTL-SDR V3 only requires very minor heat sinking to overcome this issue, and a small air gap does not reduce the thermal transfer enough to cause issues. In fact the V3 PCB has already been redesigned to dissipate heat better, so the thermal pad is not strictly required, except in very warm climates. My RTL-SDR V3 is getting hot.

**RTL-SDR Blog V3: Dongles User Guide**

The RTL-SDR device employs sma connectors at each end, and ships with a male to male sma coupler so it interfaces with the commonly found RTL SDR sma inputs, perfectly threading to my RTL V3 and RSP2 SDRs both. This adapter is a nice touch as you don't have to order a jumper to use the filter, it

This is an excerpt from our book on RTL-SDR which we've decided to post given that many new users struggle to understand all the settings in SDR#. SDR# is currently the most popular SDR program used with the RTL-SDR. It's easy to set up and use. To install SDR#, go through our Quickstart Guide. Below we explain some of the settings and displays in SDR#.

SDR-Console V3 is the latest in the line of the free SDR-Console software packages from developed Simon Brown. Recently SDR-Console V3 left its 'preview' software status and moved into 'beta' production status. SDR-Console is a general purpose SDR program similar to other software like SDR#, HDSDR and SDRUno. SDR-Console V3 however sets itself apart by being one of the most feature rich packages with goodies like advanced DSP and NR options, frequency favorite lists, IQ recording and ...

University Course on Digital Signal Processing with the RTL-SDR Over the past few years the Electrical Engineering department of the University of California, Berkley has been using RTL-SDR's in their EE123 Digital Signal Processing (DSP) course.

“You can be lonely anywhere, but there is a particular flavor to the loneliness that comes from living in a city, surrounded by thousands of strangers. The Lonely City is a roving cultural history of urban loneliness, centered on the ultimate city: Manhattan, that teeming island of gneiss, concrete, and glass. What does it mean to be lonely? How do we live, if we’re not intimately involved with another human being? How do we connect with other people, particularly if our sexuality or physical body is considered deviant or damaged? Does technology draw us closer together or trap us behind screens? Olivia Laing explores these questions by travelling deep into the work and lives of some of the century’s most original artists, among them Andy Warhol, David Wojnarowicz, Edward Hopper, Henry Darger and Klaus Nomi. Part memoir, part biography, part dazzling work of cultural criticism, The Lonely City is not just a map, but a celebration of the state of loneliness. It’s a voyage out to a strange and sometimes lovely island, adrift from the larger continent of human experience, but visited by many - millions, say - of souls”--

“As one of the first scholarly monographs to examine the status of broadcasting on its one hundredth anniversary, Radio’s Second Century investigates both vanguard and perennial topics relevant to radio’s past, present, and future. As the radio industry enters its second century of existence, it continues to be a dominant mass medium with almost total listenership saturation despite rapid technological advancements that provide alternatives for consumers. Lasting influences such as on-air personalities, audience behavior, fan relationships, and localism are analyzed as well as contemporary issues including social and digital media. Other essays examine the regulatory concerns that continue to exist for public radio, commercial radio, and community radio, and discuss the hindrances and challenges posed by government regulation with an emphasis on both American and international perspectives. Radio’s impact on cultural hegemony through creative programming content in the areas of religion, ethnic inclusivity, and gender parity is also explored. Taken together, this volume compromises a meaningful insight into the broadcast industry’s continuing power to inform and entertain listeners around the world via its oldest mass medium—radio”--

Radio’s Digital Dilemma is the first comprehensive analysis of the United States’ digital radio transition, chronicling the technological and policy development of the HD Radio broadcast standard. A story laced with anxiety, ignorance, and hubris, the evolution of HD Radio pitted the nation’s largest commercial and public broadcasters against the rest of the radio industry and the listening public in a pitched battle over defining the digital future of the medium. The Federal Communications Commission has elected to put its faith in “marketplace forces” to govern radio’s digital transition, but this has not been a winning strategy: a dozen years from its rollout, the state of HD Radio is one of dangerous malaise, especially as newer digital audio distribution technologies fundamentally redefine the public identity of “radio” itself. Ultimately, Radio’s Digital Dilemma is a cautionary tale about the overarching influence of economics on contemporary media policymaking, to the detriment of notions such as public ownership and access to the airwaves—and a call for media scholars and reformers to engage in the continuing struggle of radio’s digital transition in hopes of reclaiming these important principles.

Travelling is said to give you many unforgettable moments and experiences. The boy in our tale will for sure keep some memories but are they going to be good? He decided to repeat the same thing over and over again no matter who he was speaking to or the situation he was in. Now you can imagine how much trouble he got himself in. How will his trip end and what will he learn from it? You can find out what happened next in "Going A-Travelling". Children and adults alike, immerse yourselves into Grimm’s world of folktales and legends! Come, discover the little-known tales and treasured classics in this collection of 210 fairy tales. Brothers Grimm are probably the best-known storytellers in the world. Some of their most popular fairy tales are "Cinderella", "Beauty and the Beast" and "Little Red Riding Hood" and there is hardly anybody who has not grown up with the adventures of Hansel and Gretel, Rapunzel and Snow White. Jacob and Wilhelm Grimm’s exceptional literature legacy consists of recorded German and European folktales and legends. Their collections have been translated into all European languages in their lifetime and into every living language today.

Insolent and defiant, the Chants de Maldoror, by the self-styled Comte de Lautréamont (1846-70), depicts a sinister and sadistic world of unrestrained savagery and brutality. One of the earliest and most astonishing examples of surrealist writing, it follows the experiences of Maldoror, a master of disguises pursued by the police as the incarnation of evil, as he makes his way through a nightmarish realm of angels and gravediggers, hermaphrodites and prostitutes, lunatics and strange children. Delirious, erotic, blasphemous and grandiose by turns, this hallucinatory novel captured the imagination of artists and writers as diverse as Modigliani, Verlaine, André Gide and André Breton; it was hailed by the twentieth-century Surrealist movement as a formative and revelatory masterpiece.

Do you want to hear a story about one hard-working woman? Her name is Lean Lisa and she works from early morning to late evening. She is restless and is trying to figure out a way to buy a cow. But this same cow becomes a reason for a big fight between Lean Lisa and her husband. What do you think happened between the couple? Will they finally get the cow they wanted or this story will have an unusual end? Children and adults alike, immerse yourselves into Grimm’s world of folktales and legends! Come, discover the little-known tales and treasured classics in this collection of 210 fairy tales. Brothers Grimm are probably the best-known storytellers in the world. Some of their most popular fairy tales are "Cinderella", "Beauty and the Beast" and "Little Red Riding Hood" and there is hardly anybody who has not grown up with the adventures of Hansel and Gretel, Rapunzel and Snow White. Jacob and Wilhelm Grimm’s exceptional literature legacy consists of recorded German and European folktales and legends. Their collections have been translated into all European languages in their lifetime and into every living language today.

An old miller who did not have a family of his own wanted to retire and leave his mill to one of his three apprentices. All he wanted from them was to bring him the finest horse ever to be seen. Hans, one of the apprentices, found a cat which promised to find him the most beautiful horse only if he served her for seven years. Hans did not have that much to lose so he agreed. The seven years passed. He returned to the mill. Everyone made laugh of him but then a beautiful princess came riding the most magnificent horse. Who inherited the mill and what happened with the cat? Find out in "The Poor Miller’s Boy and the Cat". Children and adults alike, immerse yourselves into Grimm’s world of folktales and legends! Come, discover the little-known tales and treasured classics in this collection of 200 fairytales. Brothers Grimm are probably the best-known storytellers in the world. Some of their most popular fairy tales are "Cinderella", "Beauty and the Beast" and "Little Red Riding Hood" and there is hardly anybody who has not grown up with the adventures of Hansel and Gretel, Rapunzel and Snow White. Jacob and Wilhelm Grimm’s exceptional literature legacy consists of recorded German and European folktales and legends. Their collections have been translated into all European languages in their lifetime and into every living language today.

One mother put her child to sleep and decided to go to the woods and fetch some strawberries. She found a magically beautiful bush with strawberries and just as she was going to gather some, she saw a venomous snake. The mother ran, the snake followed her. Eventually the poor frightened mother got to a hazel bush and hid herself there. Can the hazel branch save her? Will the snake give up waiting for so long? Find out in Brothers Grimm’s folktale "The Hazel Branch". Children and adults alike, immerse yourselves into Grimm’s world of folktales and legends! Come, discover the little-known tales and treasured classics in this collection of 210 fairy tales. Brothers Grimm are probably the best-known storytellers in the world. Some of their most popular fairy tales are "Cinderella", "Beauty and the Beast" and "Little Red Riding Hood" and there is hardly anybody who has not grown up with the adventures of Hansel and Gretel, Rapunzel and Snow White. Jacob and Wilhelm Grimm’s exceptional literature legacy consists of recorded German and European folktales and legends. Their collections have been translated into all European languages in their lifetime and into every living language today.

A wagonner’s carriage got stuck. He could not take it out on his own but suddenly Our Lady showed up. She was willing to help the poor man if he was willing to share some of his wine with her. He was actually going to do so, but then he realized that he did not have a glass where he could pour wine. How will they solve the problem? Find out in "Our Lady’s Little Glass". Children and adults alike, immerse yourselves into Grimm’s world of folktales and legends! Come, discover the little-known tales and treasured classics in this collection of 210 fairy tales. Brothers Grimm are probably the best-known storytellers in the world. Some of their most popular fairy tales are "Cinderella", "Beauty and the Beast" and "Little Red Riding Hood" and there is hardly anybody who has not grown up with the adventures of Hansel and Gretel, Rapunzel and Snow White. Jacob and Wilhelm Grimm’s exceptional literature legacy consists of recorded German and European folktales and legends. Their collections have been translated into all European languages in their lifetime and into every living language today.

One day the Lord travelled in disguise wanting to test who will welcome him in his home. He knocked first on a rich man’s door but he was impolite and rude and sent the Lord away. Of course he had not realized that it was actually the Lord. The wandering guest knocked on the door on the other side of the road. A poor man opened and although he did not have that much to offer, he welcomed the Lord in his home. The Lord gifted the kindhearted man with three wishes and the rich one got envious. How will the story unfold? Find out in "The Poor Man and the Rich Man". Children and adults alike, immerse yourselves into Grimm’s world of folktales and legends! Come, discover the little-known tales and treasured classics in this collection of 210 fairy tales. Brothers Grimm are probably the best-known storytlers in the world. Some of their most popular fairy tales are "Cinderella", "Beauty and the Beast" and "Little Red Riding Hood" and there is hardly anybody who has not grown up with the adventures of Hansel and Gretel, Rapunzel and Snow White.
