The Shoemakers Holiday: Amazon.co.uk: Books
Thomas Dekker's "The Shoemaker's Holiday" was the third play I've read following a course on Elizabethan-era theater other than Shakespeare. Unlike the first two, it was a comedy. I had to chuckle at some of the outrageous lines. I would say the humor has aged well over the past 400+ years.

The Shoemaker's Holiday by Thomas Dekker
THE SHOEMAKER'S HOLIDAY A synopsis of the play by Thomas Dekker In the fifteenth century, in London, Rowland Lacy, spendthrift nephew of the Earl of Lincoln, and Rose, daughter of Sir Roger Oteley, Lord Mayor of London, fall in love, but obstacles to their wedding seem insurmountable, a fact which causes them much unhappiness and distress.

has Galsworthy made an effective use of contrast in the story Quality. The play begins with a series of amusing freeze-frame dioramas economically introducing the whole cast and the main groupings within it.

the shoemakers holiday character analysis

Dekker's The Shoemaker's Holiday Thomas Dekker is a famous playwright and literary figure of the English Renaissance. As with many figures from this time period there is little known about Dekker's early life. Our knowledge of him seems to begin and end with the works of literature that he left us.

Depiction of the Upper Class in The Shoemaker's Holiday ...

Hodge. Why, then you were as good be a corporal as a colonel, if you cannot discharge one good fellow; and I tell you true, I think you do more than you can answer, to press a man within a year and a day of his marriage. Eyre. Well said, melancholy Hodge; gramercy, my fine foreman.

'I know the trade: I learned it when I was in Wittenberg' Thus speaks Lacy, the gentleman who disguises himself as a simple shoemaker in order to win his true love, the grocer's daughter Rose. The Shoemaker's Holiday is one of the most engaging citizen comedies of the 17th century. Written and first performed at much the same time as Hamlet, it has an unexpected affinity with Shakespeare's tragedy: both feature a leading character who has spent time in Wittenberg, where he has learned something that has changed him. But whereas Hamlet's Wittenberg philosophy steers him into the realm of the individuated self, Lacy's Wittenberg trade directs him and his fellows into the world of the collectively crafted commodity. In the process, the play offers fascinating insight into the evolution of fashion and the growth of consumer culture in newly capitalist London. This new student edition contains a lengthy new Introduction with background on the author, date and sources, the play's major preoccupations, and stage history. The editor, Jonathan Gil Harris, is Professor of English at George Washington University. he is the author of Foreign Bodies and the Body Politic, Sick Economies, and Untimely Matter in the Time of

Shakespeare.

Elizabethan comedy (1599) by Shakespeare's contemporary

Thomas Dekker's *The Shoemaker's Holiday* is one of the most popular of Elizabethan plays--entertaining, racy and vivid in its characterization. Revealing a vital portrait of Elizabethan London and the interaction of social classes within the city, its social commentary is on the whole optimistic, though darker tones are discernible. The play has had a lively history of performance on both the professional and amateur stage.

Bernard Sahlins's new adaptation makes the comedy classic by Thomas Dekker--a Shakespeare contemporary--extremely playable. Plays for Performance Series.

The Shoemakers' Holiday, or the Gentle Craft is an Elizabethan play written by Thomas Dekker. First performed in 1599 by the Admiral's Men, it falls into the subgenre of city comedy. The play was first published in
