The Wars of the Roses were a series of conflicts during the fifteenth century which involved most of the English nobility. There were many issues at stake, sometimes including who should be king. Writers during the Tudor period simplified the story of events into a battle for the throne between the Houses of York and Lancaster.

A descendant of King Edward III, Beaufort passed a disputed claim to the English throne to her son, Henry Tudor. Capitalising on the political upheaval of the period, she ...

Get Free The Wars Of The Roses

The author of the New York Times bestseller *The Plantagenets* and *The Templars* chronicles the next chapter in British history—the historical backdrop for *Game of Thrones*. The inspiration for the Channel 5 series *Britain's Bloody Crown*, the crown of England changed hands five times over the course of the fifteenth century, as two branches of the Plantagenet dynasty fought to the death for the right to rule. In this riveting follow-up to *The Plantagenets*, celebrated historian Dan

Jones describes how the longest-reigning British royal family tore itself apart until it was finally replaced by the Tudors. Some of the greatest heroes and villains of history were thrown together in these turbulent times, from Joan of Arc to Henry V, whose victory at Agincourt marked the high point of the medieval monarchy, and Richard III, who murdered his own nephews in a desperate bid to secure his stolen crown. This was a period when headstrong queens and consorts seized power and bent men to their will. With vivid descriptions of the battles of Towton and Bosworth, where the last

Get Free The Wars Of The Roses

Plantagenet king was slain, this dramatic narrative history revels in bedlam and intrigue. It also offers a long-overdue corrective to Tudor propaganda, dismantling their self-serving account of what they called the Wars of the Roses.

Lancaster and York. For much of the fifteenth century, these two families were locked in battle for control of the British monarchy. Kings were murdered and deposed. Armies marched on London. Old noble names were ruined while rising dynasties seized power and lands. The war between the royal House of

Get Free The Wars Of The Roses

Lancaster and York, the longest and most complex in British history, profoundly altered the course of the monarchy. In *The Wars of the Roses*, Alison Weir reconstructs this conflict with the same dramatic flair and impeccable research that she brought to her highly praised *The Princes in the Tower*. The first battle erupted in 1455, but the roots of the conflict reached back to the dawn of the fifteenth century, when the corrupt, hedonistic Richard II was sadistically murdered, and Henry IV, the first Lancastrian king, seized England's throne. Both Henry IV and his son, the cold

Get Free The Wars Of The Roses

warrior Henry V, ruled England ably, if not always wisely--but Henry VI proved a disaster, both for his dynasty and his kingdom. Only nine months old when his father's sudden death made him king, Henry VI became a tormented and pathetic figure, weak, sexually inept, and prey to fits of insanity. The factional fighting that plagued his reign escalated into bloody war when Richard Plantagenet, Duke of York, laid claim to the throne that was rightfully his--and backed up his claim with armed might. Alison Weir brings brilliantly to life both the war itself and the historic figures who fought it

Get Free The Wars Of The Roses

on the great stage of England. Here are the queens who changed history through their actions--the chic, unconventional Katherine of Valois, Henry V's queen; the ruthless, social-climbing Elizabeth Wydville; and, most crucially, Margaret of Anjou, a far tougher and more powerful character than her husband,, Henry VI, and a central figure in the Wars of the Roses. Here, too, are the nobles who carried the conflict down through the generations--the Beauforts, the bastard descendants of John of Gaunt, Richard Neville, Earl of Warwick, known to his contemporaries as "the Kingmaker"; and the

First hand accounts reveal how the lives of their women and children were blighted during three decades of war, as many of their male relatives met with violent deaths. This book examines in detail the causes, course and results of each of the main wars and concludes with a fascinating insight into why the wars ended so abruptly.

This book is also available as part of the Men-at-Arms series as no. 145: 'Wars of the Roses'. Much myth and fantasy surrounds the events of the Wars of the Roses: a bloody and prolonged dynastic struggle between the

Get Free The Wars Of The Roses

houses of York and Lancaster. Terence Wise's fascinating text lays bare the real story, and examines the armies, liveries and badges of the conflict. The author's readable account provides a comprehensive guide as to who fought whom, where, when, why and for what, from the origins of the Wars to such famous battles as Tewkesbury and Bosworth. The accompanying photographs, illustrations and colour plates by Gerry Embleton clearly detail the arms, armour and standards of the time.

A riveting account of the Wars of the Roses,

Get Free The Wars Of The Roses

focusing on the human side of the story. The war between the houses of Lancaster and York for the throne of England was characterized by treachery, deceit and, at St. Albans, Blore Hill and Towton, some of the bloodiest and most dramatic battles on England's soil. Between 1455 and 1487, the royal coffers were bankrupted and the conflict resulted in the downfall of the House of Lancaster and the House of York, and the emergence of the illustrious Tudor dynasty. Alison Weir's lucid and gripping account focuses on the human side of history, on the people and personalities involved in the conflict. At

Get Free The Wars Of The Roses

the centre of the book stands Henry VI, the pious king whose mental instability led to political chaos; Richard Plantagenet, Duke of York and Henry's rival; and most important of all, Margaret of Anjou, Henry's wife who took up arms in her husband's cause and battled for many years in a violent man's world.

This book presents a truly coherent account of the Wars of the Roses.

This collection of nine essays (including the introduction) by leading British scholars addresses recent debates concerning the Wars

Get Free The Wars Of The Roses

of the Roses, especially their origins and the balance between self-interest and principle in the motivation of the participants. The collection brings these issues forward for the consideration of sixth-form and undergraduate students. While offering a summation of current viewpoints, the collection also offers new interpretations on several points.
