~~Way of the Eagle / Visit God and Heaven, Whenever you Want!~~

Eagles are among the most amazing creatures that YEHOVAH God created. Solomon himself wrote in the book of Proverbs, "There be three things which be too wonderful for me, yea, four which I know not: The way of an eagle in the air..." (Prov. 30:18-19). Golden and bald eagles are among the largest and most powerful birds in the world.

"The Way of the Eagle"

Way of the Eagle International offers teaching in God ' s Truth and in how to develop yourself as a spirit-filled child of God, operating in power and authority. And how to fulfill your destiny with God! Just like the early Christians that walked with God did!

One of the most cunning and dangerous birds in the kingdom of God is the " Christian " crow, which pesters the Eagle Christian. The way that the eagle bird handles the pesky crow, is to just simply mount up... flying higher and higher and higher until they reach an altitude where the pest cannot breathe, and so the crow falls away from lack of oxygen.

"The best nature writer working in Britain today." - The Los Angeles Times. Eagles, more than any other bird, spark our imaginations. These magnificent creatures encapsulate the majesty and wildness of Scottish nature. But change is afoot for the eagles of Scotland: the golden eagles are now sharing the skies with sea eagles after a successful reintroduction programme. In 'The Eagle's Way', Jim Crumley exploits his years of observing these spectacular birds to paint an intimate portrait of their lives and how they interact with each other and the Scottish landscape. Combining passion, beautifully descriptive prose and the writer's 25 years of experience, 'The Eagle's Way' explores the ultimate question - what now for the eagles? - making it essential reading for wildlife lovers and eco-enthusiasts.

"The Way of an Eagle" by Ethel M. Dell. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

A Wall Street Journal national security reporter takes readers into the lives of U.S. Special Forces on the front lines against the Taliban and Islamic State, where a new and covert war is keeping Afghanistan from collapse. "Powerful, important, and searing." —General David Petraeus, U.S. Army (ret.), former commander, U.S. Central Command, former CIA director In 2015, the White House claimed triumphantly that "the longest war in American history" was over. But for some, it was just the beginning of a new war, fought by Special Operations Forces, with limited resources, little governmental oversight, and contradictory orders. With big picture insight and on-the-ground grit, Jessica Donati shares the stories of the impossible choices these soldiers must make. After the fall of a major city to the Taliban that year, Hutch, a battle-worn Green Beret on his fifth combat tour was ordered on a secret mission to recapture it and inadvertently called in an airstrike on a Doctors Without Borders hospital, killing dozens. Caleb stepped on a bomb during a mission in notorious Sangin. Andy was trapped with his team during a raid with a crashed Black Hawk and no air support. Through successive policy directives under the Obama and Trump administrations, America has come to rely almost entirely on US Special Forces, and without a long-term plan, is failing to stabilize Afghanistan, undermining US interests both at home and abroad. Eagle Down is a riveting account of the heroism, sacrifice, and tragedy experienced by those that continue to fight America's longest war.

Beginning with The Skystone, the first in his riveting Camulod Chronicles, Jack Whyte has embarked on an ambitious and remarkable retelling of the Arthurian cycle, giving us a fresh and compelling take on a story that has been beloved for centuries. The Eagle brings us at last to the heart of the tale, the creation of fabled Camelot and the love story that enshrined its glory. Whyte takes us into the minds and lives of Arthur, Guinevere, and Lancelot, three astonishing but fallible people who were bound together by honor, loyalty, and love. Three who created the glory that was Britain's shining dream...and, some say, caused its downfall. The Gaulish nobleman Clothar—known in our time as Lancelot—is drawn to the young High King's court by tales of honor and nobility, where he meets a man whose love of law

matches his own. More, he finds in Arthur a life-long friend whose dream of uniting the people of Britain in peace Clothar embraces. And Clothar meets Arthur's queen, a wondrous beauty whose passion and ideals match her husband's. Together they work to bring Arthur's dream to life. But dark forces rise in opposition to Arthur's plans for creating this noble island nation and it is hard to tell friend from foe in the swirling chaos that ensues. Many tales have been told of the dream that shined and died. This one will astonish even the most jaded. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Medicine and health.

Have you ever been asked by your child to draw something simple like a dog or a bird but you have been unable to? Your child looks to you for guidance and support in all aspects of life. Your lack of artistic ability is not something you thought of as a hindrance, but now that you have children, this simple skill can make the world of difference in creating moments of deep bonding. When you are able to teach your child how to draw an animal or a house with accuracy and see that look of awe and admiration in their eyes, you will know that you made the right choice buying this book. This guide will start you on a magical trip with your little one that begins with a single mark on the page and ends with a rich and creative world that the two of you have drawn together.

In this first book of a new historical fiction series, a crack Roman legion invades Britain in this brazen tale of military adventure, political intrigue and heroism It is the year 42 AD, and Centurion Macro, battle-scarred and fearless, is in the heart of Germany with the Second Legion, the toughest in the Roman army. Cato, a new recruit and the newly appointed second-in-command to Macro, will have more to prove than most. In a bloody skirmish with local tribes, Cato gets his first chance to prove that he's more than a callow, privileged youth. As their next campaign takes them to a land of unparalleled barbarity - Britain - a special mission unfolds, thrusting Cato and Macro headlong into a conspiracy that threatens to topple the Emperor himself. Filled with the kind of historical details that brings the adventure to life, Simon Scarrow's *Under the Eagle* is destined to become a military fiction classic.

Diana Mayo is young, beautiful, wealthy--and independent. Bored by the eligible bachelors and endless parties of the English aristocracy, she arranges for a horseback trek through the Algerian desert. Two days into her adventure, Diana is kidnapped by the
