Barbara Kingsolver's acclaimed international bestseller tells the story of an American missionary family in the Congo during a poignant chapter in African history. It spins the tale of the fierce evangelical Baptist, Nathan Price, who takes his wife and four daughters on a missionary journey into the heart of darkness of the Belgian Congo in 1959. They carry with them to Africa all they believe they will need from home, but soon find that all of it - from garden seeds to the King James Bible - is calamitously transformed on African soil. Told from the perspective of the five women, this is a compelling exploration of African history, religion, family, and the many paths to redemption. The Poisonwood Bible was nominated for the Pulitzer Prize in 1999 and was chosen as the best reading group novel ever at the Penguin/Orange Awards. It continues to be read and adored by millions worldwide.

Notes on the exodus of refugees from Syria, by Man Booker Prize winner Richard Flanagan. With illustrations from Archibald Prize winner Ben Quilty. In January 2016 Richard Flanagan and Ben Quilty travelled to Lebanon, Greece, and Serbia to follow the river that is the exodus of our age: that of refugees from Syria. Flanagan's 'notes' and Quilty's sketches bear witness to the remarkable people they met on that journey and their stories. These individual portraits from the Man Booker Prize-winning author and Archibald Prize-winning artist combine to form a powerful testament to human dignity and courage in the face of war, death, and suffering. Refugees are not like you and me. They are you and me. That terrible river of the wretched and the damned flowing through Europe is my family.

The author of the explosive New York Times bestselling memoir *Unorthodox* (now a Netflix limited series) chronicles her continuing journey as a single mother, an independent woman, and a religious refugee. In 2009, at the age of twenty-three, Deborah Feldman walked away from the rampant oppression, abuse, and isolation of her Satmar upbringing in Williamsburg, Brooklyn to forge a better life for herself and her

young son. Since leaving, Feldman has navigated remarkable experiences: raising her son in the “real” world, finding solace and solitude in a writing career, and searching for love. Culminating in an unforgettable trip across Europe to retrace her grandmother’s life during the Holocaust, Exodus is a deeply moving exploration of the mysterious bonds that tie us to family and religion, the bonds we must sometimes break to find our true selves.

The definitive follow-up to Unorthodox (the basis for the award-winning Netflix series)—now updated with more than 50 percent new material—the unforgettable story of what happened in the years after Deborah Feldman left a religious sect in Williamsburg in order to forge her own path in the world. In 2009, at the age of twenty-three, Deborah Feldman packed up her young son and their few possessions and walked away from her insular Hasidic roots. She was determined to find a better life for herself, away from the oppression and isolation of her Satmar upbringing in Williamsburg, Brooklyn. And in Exodus, Revisited she delves into what happened next—taking the reader on a journey that starts with her beginning life anew as a single mother, a religious refugee, and an independent woman in search of a place and a community where she can belong. Originally published in 2014, Deborah has now revisited and significantly expanded her story, and the result is greater insight into her quest to discover herself and the true meaning of home. Travels that start with making her way in New York expand into an exploration of America and eventually lead to trips across Europe to retrace her grandmother’s life during the Holocaust, before she finds a landing place in the unlikeliest of cities. Exodus, Revisited is a deeply moving examination of the nature of memory and generational trauma, and of reconciliation with both yourself and the world.

Memoirs of a Life is an unchanged, high-quality reprint of the original edition of 1868. Hansebooks is editor of the literature on different topic areas such as research and science, travel and expeditions, cooking and nutrition, medicine, and other genres. As a publisher we focus on the preservation of historical literature. Many works of historical writers and scientists are available today as antiques only. Hansebooks newly publishes these books and contributes to the preservation of literature which has become rare and historical knowledge for the future.

Biblical and progressive. Mainline and charismatic. Faithful and questioning. This book is not what you think it is. The story of the Exodus is told in parallel with testimonies, sermons, and personal reflections from a congregation in Lancaster, Pennsylvania, challenging the reader to a journey of faith. Along the way, it becomes clear that open and affirming ministry transcends LGBTQIA+ inclusion. It is also about race relations, poverty, generational change, divorce, immigration, and any other human-

File Type PDF Trip Notes Exodus

created barrier to loving God and neighbor. Tools for the journey. Finding a new voice amid profound social change is a difficult and vitally important task. Many congregations and entire denominations are in the process of figuring out how to express a new voice of faith, particularly in our understanding of sexuality and gender. Christians are experiencing nothing less than a holy disruption caused by the Spirit among us. The book concludes with a discussion of challenges to community and ministry. Helpful appendices provide congregational resources and discussion questions for group study. The stories in this book include experiences of and with persons in many denominational settings: Roman Catholic, Unitarian-Universalist, Presbyterian Church in Taiwan, Metropolitan Community Church, United Church of Christ, United Brethren, Church of the Brethren, Society of Friends (Quakers), and United Methodist. This is truly an ecumenical journey.

The New York Times–bestselling author’s Whitbread Prize–winning debut—“Winterson has mastered both comedy and tragedy in this rich little novel” (The Washington Post Book World). When it first appeared, Jeanette Winterson’s extraordinary debut novel received unanimous international praise, including the prestigious Whitbread Prize for best first fiction. Winterson went on to fulfill that promise, producing some of the most dazzling fiction and nonfiction of the past decade, including her celebrated memoir *Why Be Happy When You Can Be Normal?*. Now required reading in contemporary literature, *Oranges Are Not the Only Fruit* is a funny, poignant exploration of a young girl’s adolescence. Jeanette is a bright and rebellious orphan who is adopted into an evangelical household in the dour, industrial North of England and finds herself embroidering grim religious mottoes and shaking her little tambourine for Jesus. But as this budding missionary comes of age, and comes to terms with her unorthodox sexuality, the peculiar balance of her God-fearing household dissolves. Jeanette’s insistence on listening to truths of her own heart and mind—and on reporting them with wit and passion—makes for an unforgettable chronicle of an eccentric, moving passage into adulthood. “If Flannery O’Connor and Rita Mae Brown had collaborated on the coming-out story of a young British girl in the 1960s, maybe they would have approached the quirky and subtle hilarity of Jeanette Winterson’s autobiographical first novel. . . . Winterson’s voice, with its idiosyncratic wit and sensitivity, is one you’ve never heard before.” —Ms. Magazine

colleges, universities, and seminaries, as well as by individuals interested in personal study.” --Book Jacket.
