Single, Married, Separated, & Life After Divorce, Expanded Edition (2003) Singleness is a myth. To be single means to be all one (alone), separate, unique and whole. MARRIAGE is when two separate, unique and whole persons, one male and one female, make a covenant to exchange vows, committing their lives to remain together until death. Separation is an unofficial divorce with the exact same effect as divorce. It is the most tragic state of limbo. Divorce means to desert. The armed forces prosecute deserters. God has made no provision for divorce in the Bible. If you are invited to a wedding, you are a covenant witness, and if this couple later divorces, you should be invited to the divorce just as you were to the wedding.

Women of every culture and society are facing the dilemma of identity. Traditional views of what it means to be a woman and changing cultural and marital roles are causing women conflict in their relationships with men. Women are under tremendous stress as they struggle to discover who they are and what role they are to play today—in the family, the community, and the world. In this expanded edition of Understanding the Purpose and Power of Women, now with helpful study questions following each chapter, best-selling author Dr. Myles Munroe examines societies' attitudes toward women and addresses vital issues such as: Are women and men equal? How is a woman unique from a man? What does the Bible really teach about women? Is the woman to blame for the fall of mankind? What are the purpose and design of the woman? Should women be in leadership? What is a woman's basic communication style? What are a woman's emotional and sexual needs? What is a woman's potential? To live successfully in the world, women need a new awareness of who they are and new skills to meet today's challenges. Whether you are a woman or a man, married or single, this book will help you to understand the woman as she was meant to be.

Best-selling author Myles Munroe reveals in this book the key to personal fulfillment: purpose. We must pursue purpose because our fulfillment in life depends upon our becoming what we were born to be and do. In Pursuit of Purpose will guide you on that path to finding God's purpose for your life.

Understanding Your Potential is a motivating, provocative look at the awesome potential trapped within you, waiting to be realized. This book will cause you to be uncomfortable with your present state of accomplishment and dissatisfied with resting on your past success. It will turn your failure into motivation and mediocrity into excellence.

So many men, but which one is worth the effort? And how do I know that waiting around for the "best" will actually pay off--that I'm not just letting the already shallow dating pool evaporate? Jackie Kendall believes that waiting will bring greater satisfaction. When you find the right man--a man like Boaz, found in the biblical book of Ruth--you'll be incredibly glad you didn't settle for one of your earlier options. But what will he be like, and how does a gal know that he is the right man, not just another bozo? Drawing on real-life stories that will have women laughing and crying in empathy, Jackie Kendall tells about the Mr. Wrongs she dates on her way to Mr. Right, what told her that her husband was "the one," and what she learned along the way. Women will learn how to avoid common dating pitfalls and how to know when they've met A MAN WORTH WAITING FOR.
