We the People – An Introduction of American Politics 6e Texas Edition: Ginsberg, B: Amazon.com.au: Books

Politics is relevant and participation matters.

Emphasizing the relevance of politics and government in everyday life, We the People provides tools to help students think critically about American government and politics. The Sixth Edition has been carefully updated to reflect most recent developments, including the ongoing conflict in Iraq and the 2006 midterm elections. Complemented by a rich package of multimedia tools for instructors and students, including a new video-clip DVD, We the People is now more pedagogically effective than ever.

As the current political climate becomes increasingly contentious, the United States' founding document receives added attention. Donald C. Dahlin re-examines the US Constitution, challenging students to form educated opinions on important contemporary discussions. Presenting a limited number of landmark Supreme Court decisions, We the People provides support for multiple sides of a single debate. Each case is carefully contextualized and selections from the justices' rulings are held up for scrutiny. Rich fodder for classroom debate, this volume is both necessary and accessible.

Politics is relevant.

Tom Patterson 's We the People is a concise approach to American Government emphasizing critical thinking through relevant examples that appeal to today 's students. This extremely readable program provides opportunities to engage with the political process through tools that help students learn how to think about politics, utilizing digital resources that connect students with the material in a highly personalized way.

Politics is relevant and participation matters--now more than ever

See the US Constitution in a new light with this bold, modern and accessible illustrated guide to the document that helped define democracy. With the 2020 Presidential election around the corner, there has never been a better time to take a closer look at the Constitution, the bedrock of US politics. Inquisitive minds will have their questions vividly answered – and new ones raised – by a mix of striking illustrations and clear, engaging text, including passages from the Constitution given in plain English. As well as a detailed history covering the original Constitution, the Bill of Rights and all Amendments, discover how this milestone in American democracy shapes and is shaped by the world at large. We The People shows that, far from a dusty old piece of paper, the US Constitution is a living, evolving rulebook that is as relevant today as it has ever been. A fresh take on a monumental document, navigating in style its history and its life today. Excerpts from the Constitution are presented here in plain English to help young thinkers better understand the role it plays in everyday life. Accessible, energetic text accompanied by contemporary, powerful illustrations allows children aged 10 and older to re-think the Constitution in a totally new way. A balanced examination that does not shy away from addressing the difficulties of interpreting and adapting the Constitution for the modern world. We The People takes the Constitution out of its display case, blows off the dust and re-imagines this piece of history for the next generation.

Presents an illustrated version of the preamble to the Constitution of the United States.
