This volume, which presents a "slice-of-life" on the Plains during its early settlement, adds rich detail to our understanding of the struggle for survival in a harsh landscape that tested the hardest pioneer. Miner concentrates not only on the major economic events of the period—railroad building, Indian raids, the grasshopper invasion of 1874, the blizzard of 1886—but also on the more personal experiences equally important: building sod houses, choosing crops, filing of claims, fighting varmints, and dealing with the deaths of children on the prairie. "Magnificent. . . . A subtle and often moving account of pioneer life. . . . A truly splendid book."—Choice "Regional history at its best. . . . Many of the traditional tales of early hardships—grasshopper plagues, Indian attacks, the stress of loneliness and isolation, drought, blizzards, prairie fires, and the unaccustomed hazards of nature—are retold with vigor and a sense of immediacy. These gritty tales of pioneer persistence and stubbornness are used to illustrate the region's cyclical history of hope and despair. . . . Not the least of Miner's talents is his engaging style. Images are alive, progression of the story lively, and the analysis convincing. This first-rate book is an important addition to the history of Kansas and, more broadly, to the study of western settlement."—American Historical Review

## Get Free West Of Wichita

Wichita is the birthplace of Pizza Hut and White Castle. But from its early days as a cattle drive stopover on the Chisholm Trail to its current life as a hub for aviation manufacturing, the city has been filled with hundreds of popular restaurants owned by generations of hardworking entrepreneurs. The 1920s and 1930s were a time for tearooms like Innes and for cafés like Holly Cafe and Fairland Cafe. The '60s and '70s ushered in swanky private nightclubs like Abe's. And there are classics like NuWay Cafe, Old Mill Tasty Shop and Angelo's that are still around today. Author Denise Neil details the rich history of Wichita's favorite classic eateries.

Before she was Wichita, Kansas, she was a collection of grass huts, home to the ancestors of the Wichita Indians. Then came the Spanish conquistadors, seeking gold but finding instead vast herds of buffalo. After the Civil War, Wichita played host to a cavalcade of Western men: frontier soldiers, Indian warriors, buffalo hunters, border ruffians, hell-for-leather Texas cattle drovers, ready-to-die gunslingers, and steel-eyed lawmen. Peerless Princess of the Plains, they called her. Billy the Kid, Wyatt Earp, and Bat Masterson were here, but so were Jesse Chisholm, Jack Ledford, Rowdy Joe and Rowdy Kate, Buffalo Bill Mathewson, Marshall

## Get Free West Of Wichita

Mike Meagher, Indian trader James Mead, Oklahoma Harry Hill, city founder Dutch Bill Greiffenstein, and a host of colorful characters like you've never known before. Stan Hoig depicts a once-rambunctious cowtown on the Chisholm Cattle Trail, neighbor to the lawless Indian Territory, roaring and bucking through its Wild West days toward becoming a major American city. Cowtown Wichita and the Wild, Wicked West provides tribute to those sometimes valiant, sometimes wicked, sometimes hilarious, and often audacious characters who played a role in shaping Wichita's past.

## Get Free West Of Wichita

Early Wichita earned a wicked reputation from newspapers across Kansas thanks to a bevy of madams and murderers, bootleggers and bank robbers, con men and crooked cops. Gambler and saloonkeeper "Rowdy Joe" Lowe was the toast of the town before shooting down his rival, "Red" Beard, and skipping town. Robber and cop killer "Clever Eddie" Adams spread a wave of terror until the police evened the score. Dixie Lee ran the city's classiest brothel with little interference from authorities. Notorious quack "Professor" H. Samuels made a fortune selling worthless eye drops. And county attorney Willard Boone was chased out of town when he was caught with his hand in the bootlegger's cookie jar. Local author Joe Stumpe tells the real stories of the city's best-known and least-known criminals and misfits.
