Administration of Estates Act 1925 - Legislation.gov.uk

A trust is a way of managing assets (money, investments, land or buildings) for people. There are different types of trusts and they are taxed differently. The settlor decides how the assets in a ...

Trusts and taxes - GOV.UK

Until recently, will trusts were a common way of saving on inheritance tax (IHT). A couple potentially liable for IHT could split their estate into halves, both below the nil-rate band. However, since 2007 married couples and civil partners have been able to transfer unused IHT allowance to one another. As such, most couples no longer need to make this type of trust for inheritance tax purposes, though it may be used to ring-fence the deceased spouse's share from care home assessments.

Wills & Estate Planning Administration Solicitors Chester

The appointment of an executor is done as a term of your will. Your will creates a trust and your executor of the estate is the person who holds the estate in trust. That person becomes the trustee for the deceased estate trust. The executor is responsible for administering the deceased estate in the best interest of the beneficiaries of the estate.

highly visual content enhanced by detailed exhibits and a writing style free of confusing legalese, the 8th Edition provides up-to-date coverage of relevant laws, court procedures, cases, tax implications, ethical considerations, and the roles paralegals and other professionals play in the process. Throughout the text, user-friendly case summaries, state-specific examples, practical assignments, detailed documents, and real-life contemporary issues prepare you for success as a paralegal in this important area of law. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Wills, Trusts, and Estate Administration for Paralegals provides a comprehensive overview of estate planning and probate in a manner that is straightforward and easy to read and understand. Instructor resources include an Instructor's Manual, PowerPoint lecture slides, and Test Bank, while a book companion site offers study resources for students. Teaching and Learning Experience: Includes frequent hypotheticals to illustrate key concepts and features. "The Hypothetical Family" is a running example introduced in Chapter 1 and continued throughout each chapter to exemplify a fictional, but life-like, estate planning and probate scenario. Drafting assignments are provided in each chapter, as well as the forms for every assignment. Covers all of the major topics, including ethical considerations, and offers solid review and application of concepts

Paralegal) Flexible, complete coverage of all pertinent topics in the field of estate planning, in a format that's accessible to all levels of students Wills, Trusts, and Estates Administration is specifically designed for paralegal students and legal professionals. It presents the fundamentals of the field in a flexible approach that captures the complexities of modern estate planning while maintaining a clear, accessible style. The book's self-contained chapters let instructors easily adapt the material to their own classes and students. Written by a lawyer with 30 years of experience in the estate-planning field, it covers practical issues that arise in law office--situations that students will actually encounter when they begin their careers. The focus is on issues that concern today's typical American client, such as the trend towards an aging population, the growing population of families in second marriages, blended families and families in which the grandparents are raising their grandchildren, as well as those families that include non-married or same-sex couples. Current statistics concerning the aging population in the United States keep readers up to date on how current trends affect the estate planning industry. Neither too complicated for a two-year program, nor too simple for a full four-year program, this book does not presuppose a prior background in legal studies of any kind. The book is appropriate for the longtime continuing student, and it is ideal for the lifelong learner.

Using an effective "learn by doing" approach, Wills, Trusts, and Estates for Legal Assistants emphasizes examples and applications, and includes hundreds of real life situations with detailed explanations. Students understand what the rules of law mean and how they apply in a real world context. The complete topic coverage introduces wills and trusts, intestate succession, estate administration, nonprobate transfers, and

other estate planning issues such as taxes and malpractice. A balanced, experienced author team skillfully blends theory with practice and extensive pedagogy reinforces the text, with marginal terms and a glossary, ethical points, checklists, practice tips, and sample forms. The instructor's manual provides a summary of chapters, a model course outline, exam questions, assignment ideas, exercises, and a research guide for wills, trusts, and estates. New to the Sixth Edition: The impact of the Tax Cuts and Jobs Act on federal income, gift, estate, and generation-skipping transfer taxes Rights and liabilities of same-sex spouses Electronic wills and access to a decedent's digital assets Techniques for demonstrating testamentary capacity Directed trusts and trusts authorizing trustees to consider environmental, social, and governance factors in making investment decisions Modifying the terms of an irrevocable trust by "decanting" Professors and students will benefit from: lively, lucid, and conversational style grabs and holds students' interest learning-by-doing approach gives students a concrete grasp of abstract concepts Practice Tips guide students through the critical process of preparing and managing files flexible structure allows professors to follow the presentation of concepts in the book or organize the chapters to fit their syllabus

The Sixth Edition of Wills, Trusts, and Estate Administration is an established textbook in the field of paralegal education dating back to the first edition in 1979. The intention of the textbook is to provide a learning tool for the paralegal student introducing them to the basics of property law and its application to the main theme of wills, trusts, and estate administration. A discussion of the laws that govern construction and administration of wills and trusts is

Read Online Wills Trusts And Estate Administration For The Paralegal

presented in detail along with the roles of various participants in the process. A section is devoted to the taxes involved with the administration of estates which include income, fiduciary, gift, inheritance, and estate tax returns. The sections include examples, exhibits, assignments, key terms, review questions, and case problems to aid and challenge the student in understanding the material along with essential probate and tax forms found in the Appendix. The development of an estate plan to dispose of assets and diminish or eliminate estate taxes through the effective use of wills and trusts is presented allowing the student to apply what has been learned throughout the textbook. Ethics is addressed to prepare the paralegal student for the necessity to adhere to a prescribed set of rules and guidelines that will apply to their work. The textbook is a good reference source for both the student and lay person interested in basic and understandable information on the subject of wills, trusts, and estate administration.

The leading text in the field takes a practical approach, illustrating legal principles through examples, exercises, legal forms, checklists, and actual drafts of wills and trusts. Students are exposed to detailed procedures and are prepared for everyday practical duties of the paralegal through comprehensive, authoritative coverage. Blend of theory and practice balances the need for understanding concepts and law and the need to be able to apply it.

ADMINISTRATION OF WILLS, TRUSTS, AND ESTATES, 5th edition employs a reader-friendly writing style that walks students through the legal maze of wills, trusts and estates. To this end, the authors provide multiple learning tools such as celebrity wills, marginal key term definitions, extensive review materials, and visual illustrations. Plus, the Fifth
